

CPT Course

Certified Poultry Technician Course-Classroom Portion only.

When: **April 10, 2018**

10:00 AM

Where: Pennsylvania Department of Agriculture
Room 309
2301 N Cameron Street
Harrisburg, PA 17110-9408

You must submit a completed CPT license application when you register for the class. An application can be found on the PDA website under FORMS or you can contact Stacy Rakocy at: srakocy@pa.gov.

RSVP by April 5, 2018 to: srakocy@pa.gov

The CPT User Guide which will be used during the class is available at <http://www.agriculture.pa.gov/Animals/AHDServices/licenses-certificates/Certified%20Poultry%20Technician%20License/Pages/default.aspx>. It is recommended that you review the material before the class.

A cafeteria is available on site. After completing the classroom portion of the course, you must set up a time with your regional PDA veterinarian to complete the hands-on skills.
