

# Pennsylvania Department of Agriculture

\*\*\*\*\*

The Department of Agriculture is currently recruiting to fill the below permanent position:

**Veterinary Laboratory Diagnostician** performs professional veterinary work in performing animal and avian disease diagnostic services in the Animal Disease Diagnosis Division in the Department of Agriculture. This position is a Civil Service position and is specifically responsible for the diagnosis of avian diseases, but may also provide diagnostic services for the aquaculture industry.

- This permanent position is located at the Pennsylvania Department of Agriculture Veterinary Laboratory in Harrisburg, PA (Dauphin Co.). If you are interested in being considered for this position you may apply through the State Civil Service Commission's website. The State Civil Service Commission oversees the hiring process for all civil service covered job titles. The Veterinary Laboratory Diagnostician test announcement can be found on-line at [www.scsc.pa.gov](http://www.scsc.pa.gov) > Job Seekers > Open Test Announcements > Medical and Health Services > Veterinary Laboratory Diagnostician.

If you have any questions, please contact Cathy Smith in the Human Resource Office at 717-787-1065.

***This position in light of the hiring freeze is exempt due to it being critical to protecting public health.***
