STATE HARNESS RACING COMMISSION

Approval of Fee Schedule

The State Harness Racing Commission (Commission) hereby establishes its revised schedule of occupational license fees. This license fee schedule is issued under authority granted the Commission by the act of December 7, 1981 (P.L. 435, No. 135)(4 P.S. §§ 325.101 – 325.402), known as the Race Horse Industry Reform Act (Act).

The Act requires the Commission to license trainers, drivers, horse owners, persons participating in harness horse race meetings and all other persons and vendors exercising their occupation or employed at harness horse race meetings (see 4 P.S. § 325.213(a)). It also requires the Commission to fix the fee for each such license, and provides that each license shall be issued for a three-year term.

Only new and renewal applicants for an owner's license may omit the picture requirement unless entering the stable area. Please make check or money order payable to "Pa Harness Racing Commission," and mail to one of the racetrack offices listed at the top of the license application.

The Commission hereby approves and establishes the following occupational license fees. This fee schedule takes effect as of July 1, 2013, and supersedes any previous fee schedule approved and issued by the Commission.
