Re: 2016 DORNEY PARK RIDE SAFETY SEMINAR

Dear Mr. Nesland:

The Bureau of Ride and Measurement Standards (the "Bureau") has received the packet submitted for the Ride Safety Seminar which will take place on Tuesday, October 11 through Thursday, October 13, 2016 located in Allentown, PA.

This is to advise you that the Bureau has reviewed the provided schedule of events, curriculum and instructors qualifications for the listed forum.

We are pleased to inform you that the Bureau will recognize the classes taught at the Ride Safety Seminar as acceptable continuing education credits as outlined in 7 Pa Code § 139.9, et al. Please remind current and/or potential Pennsylvania Qualified Inspectors of their individual responsibility to obtain or maintain their Pennsylvania license(s).

Please ensure that the Bureau is provided with a list of all attendees, the course(s) taken and the hours per course successfully completed.

Attendees for PA certification must complete an inspector application, send in the fee of \$50 made payable to the Commonwealth of PA and a copy of the certificate of attendance in order to re-certify their inspector licenses for PA.

If you have any questions please contact me at 717-787-9089 or email me at wremmert@pa.gov.

Sincerely,
