

United States Department of Agriculture

# General Resources and Information

For general resources and information about avian influenza, biosecurity, and the ongoing HPAI response, refer to the resource list and links below.

- **USDA Avian Influenza Publications, Factsheets, and Brochures**

[www.usda.gov/avian\\_influenza.html](http://www.usda.gov/avian_influenza.html)

USDA's central page online for resources and materials about avian influenza

- **APHIS Avian Influenza Disease Information**

[www.aphis.usda.gov/animal-health/aiupdates](http://www.aphis.usda.gov/animal-health/aiupdates)

APHIS' homepage for information and updates on avian influenza

- **APHIS Foreign Animal Disease Preparedness and Response Materials**

[www.aphis.usda.gov/fadprep](http://www.aphis.usda.gov/fadprep)

Includes key response documents for the ongoing HPAI incident

- **Backyard Biosecurity for Birds**

<http://healthybirds.aphis.usda.gov>

Useful information and resources on backyard biosecurity practices for bird owners to use in the everyday routine of caring for their birds

- **APHIS Publications and Factsheets**

[www.aphis.usda.gov/publications](http://www.aphis.usda.gov/publications)

Download PDFs of APHIS publications at the link above. Select "Bird Biosecurity" or "Avian Influenza" from the "View by Category" dropdown list. Many of these materials are also available in Spanish. To order copies, follow the instructions at the top of the APHIS Publications Web page. If you have questions, please call APHIS' Public Affairs office at (301) 851-4100.
