There were 331 licensed wineries, 188 licensed wineries with no sales assessments reported, 143 producers with sales assessments and the number of producers paid was 101.

Ms. Snyder then reviewed the Assessment Income Analysis by Quarter. In the first quarter of 2015, $58,893.94 was received; $51,412.04 was received in the second quarter, $55,884.00 was received in

Three wineries paid, three wineries paid under a different producer number (these producer numbers were old previous license numbers which IT had to correct in our database system), 10 wineries owe less than $100 and are listed as non-reports which did not put any figures in the database system. So far there is $13,165.96 owed for 2014. All delinquent wineries received a non-compliance letter and a response is due within 30 days. A second letter will be sent in approximately two weeks to wineries that have not contacted the department.
