

CSFP Participant Signature Waiver due to COVID-19 (Novel Coronavirus)

Effective March 11, 2020 through May 31, 2020, out of an abundance of caution due to concerns over the spread of COVID-19, the program regulations will be temporarily modified to waive the signature requirement. Instead, during this period of time, CSFP Lead Agencies and CSFP Sub Agencies will adhere to the following procedure.

2. **For Form 202022 Certification Form** *If the participant authorizes the staff/volunteer to sign, the staff/volunteer should read the following statements provided on the form to the participant and ensure that the participant is aware that if they allow the staff/volunteer to sign on their behalf, they (the participant) are attesting or certifying to the truth of the information provided.*

This application is being completed in connection with the receipt of Federal assistance. Program officials may verify information on this form. I am aware that deliberate misrepresentation may subject me to prosecution under applicable State and Federal statutes. I may not receive CSFP benefits at more than one CSFP site at the same time. Furthermore, I am aware that the information provided may be shared with other organizations to detect and prevent dual participation. I have been advised of my rights and obligations under the program. I certify that the information I have provided for my eligibility determination is correct to the best of my knowledge.

The staff/volunteer will sign their own name on the signature line of Form 202022, then write: "Signature Authorized by (participant/proxy/caretaker name) (via phone or in-person) on (date/time)."
