

Commonwealth of Pennsylvania Department of Agriculture

The Emergency Food Assistance Program (TEFAP) Plan of Operation January 2022

I. Administration

The Emergency Food Assistance Program (TEFAP) as authorized is administered by the Pennsylvania Department of Agriculture (PDA), Bureau of Food Assistance (BFA) located at 2301 North Cameron Street, Room 401, Harrisburg, Pennsylvania 17110.

PDA executes a **Program Management Agreement (PMA)** with the Board of Commissioners in each of the Commonwealth's 67 counties for the administration of TEFAP Entitlement at the county level (see Attachment "A"). The Agreement permits the county to delegate daily management of the program to a designated lead agency; however, final accountability remains with the Board of Commissioners.

In any county where a Board of Commissioners does not execute a PMA with PDA, or where the Board of Commissioners cancels its agreement with PDA, or PDA determines that additional program activity is warranted to effectively implement the program or equitably allocate commodity, PDA will execute PMAs with qualified non-profit agencies to administer all or part of the program.

In addition, PDA executes PMAs with several food banks for the distribution of TEFAP commodity other than Entitlement (including Bonus, TM Food Purchase and Distribution Program, FFCRA, CARES, etc.) (see Attachment "B").

II. Receipt and Distribution of TEFAP Entitlement

In August of each year, subsequent to the United States Department of Agriculture's (USDA) annual publication of the "USDA Foods Available List for the Emergency Food Assistance Program (TEFAP)," PDA will survey each county and/or designated lead agency to determine which of the available TEFAP Entitlement foods they are most interested in receiving in the upcoming federal fiscal year. Based on the results of that survey, and taking into account total entitlement funding, costs for individual

products, and orders already placed for Bonus and other TEFAP foods, PDA will develop a plan and order TEFAP Entitlement foods that best align with the survey results.

TEFAP Entitlement will be received at commercial distributors under contract with PDA and will provide storage and distribution services for the program in the eight (8) distribution regions of the Commonwealth.

Allocations of TEFAP Entitlement received by Pennsylvania will be made by PDA to each county based on each county's relative number of persons determined to be unemployed and impoverished. PDA reserves the right to adjust allocation percentages to match supply with demand. As each distributor receives shipments of TEFAP Entitlement and notifies PDA of product receipt, PDA will promptly allocate product for distribution. In general, TEFAP Entitlement foods will be ordered for delivery every month of the year except for June, due to the need to conduct the annual inventory at the commercial distributors.

PDA maintains agreements with soup kitchens, shelters, and other agencies, which serve the homeless. Allocations of TEFAP Entitlement are specifically targeted for such agencies and are executed at the same time county allocations are made. When such agencies choose not to maintain agreements with PDA for direct receipt of USDA commodity, PDA maintains agreements with and provides USDA Foods to counties and/or county lead agencies having a relationship with those agencies so that eligible agencies receive their fair share of available product.

III. Receipt and Allocation of Administrative Funds

Administrative funds made available to Pennsylvania by the USDA will be used for program expenses. Program expenses include: state and local administrative expenses; transportation and storage fees associated with USDA Foods received and distributed under TEFAP; and other allowable expenses which include expenses incurred in distributing USDA Foods, privately and commercially donated product to soup kitchens, food banks, food pantries, and other emergency feeding organizations.

Expenses will be reimbursed under the PMA at the lower of twelve cents per pound (effective July 1, 2008) of product distributed or actual costs incurred by the agencies. If no product is distributed, no expenses will be recognized.

Administrative funds retained by Pennsylvania for state expenses will not exceed 15 percent of the total funds received from the USDA. Activity Reports will support expenses for administrative staff charged directly against TEFAP. Per the PMA, activity reports are due to PDA 30 days after the close of each quarter, in order for reports and payments to be processed in a timely manner.

Pennsylvania will meet its required match through a proration of administrative and field staff expense documented with personnel activity reports; a proration of general overhead expenses; and the use of state funds appropriated for the program.

IV. Eligibility Criteria and Distribution Rates

The maximum income for Pennsylvania's recipients participating in TEFAP is 150% of the established poverty level (see Attachment "C").

Distribution rates for TEFAP foods are based on household size and availability of USDA Foods to each county/lead agency.

V. Monitoring

Pennsylvania uses Food Distribution Representatives or "Field Staff" to monitor program activity (Attachments "D" and "E"). Monitoring activities include an annual review of all TEFAP county/lead agencies (see Attachment "F"), and an annual review of approximately 25% of food banks, food pantries, and soup kitchens receiving TEFAP.

In addition, the PDA Comptroller's Office conducts audits of TEFAP county lead agencies, and other agencies under contract to distribute TEFAP commodity. The intent is to ensure compliance with governing rules and regulations.

VI. Farm to Food Bank

Since 2015, Pennsylvania has administered the Pennsylvania Agricultural Surplus System (PASS). PASS provides an efficient mechanism for Pennsylvania's agricultural industry to donate safe, wholesome food products while being reimbursed for the costs involved in harvesting, processing, packaging, and transporting these foods. Without PASS, these food products would likely otherwise be left to rot in the field, be plowed under, be dumped, or be landfilled. In this way, Pennsylvania-grown products stay in the state to help meet people's basic food needs.

Pennsylvania utilizes funds provided for this state program to leverage federal funds provided for the federal Farm to Food Bank program, as described in Attachment "G".

**Program Management Agreement
for
The Emergency Food Assistance Program (TEFAP)**

This Program Management Agreement (hereinafter referred to as "AGREEMENT") is certification by the County of _____ (hereinafter referred to as "COUNTY"), having its principal offices _____ at _____,

_____ to the Pennsylvania Department of Agriculture, (hereinafter referred to as "PDA"), having its principal offices at 2301 North Cameron Street, Harrisburg, PA 17110-9408, that the COUNTY meets requirements for participation in The Emergency Food Assistance Program (hereinafter referred to as "PROGRAM"), as defined in the conditions contained herein. PDA participates in the PROGRAM under guidelines established by the United States Department of Agriculture (hereinafter referred to as "USDA").

The COUNTY certifies the execution of this AGREEMENT, including the receipt, distribution and use of PROGRAM food (hereinafter referred to as "COMMODITY"), and PROGRAM administrative funds (hereinafter referred to as "PROGRAM funds") allocated to the COUNTY or its designated lead agency (hereinafter referred to as "Lead Agency"), shall be completed in accordance with governing state and federal laws, regulations, guidelines and specific conditions, and in accordance with generally accepted accounting principles, and that upon request by PDA or its designated representative, the COUNTY will provide any and all information and documentation relating to PROGRAM management by the COUNTY and its Lead Agency.

I. Purpose.

1. **Purpose.** The PROGRAM provides for the responsible distribution of COMMODITY and PROGRAM funds received by the Commonwealth of Pennsylvania from USDA for administration of

The Emergency Food Assistance Program (TEFAP) as provided for under provisions of Public Law 98-92, as amended, and all applicable regulations.

II. PROGRAM COMMODITY

Allocation of PROGRAM COMMODITY.

2. ***General Allocation Formula.*** COMMODITY available to Pennsylvania under the PROGRAM will, to the extent feasible, be allocated to the COUNTY using a formula which establishes the COUNTY'S relative percentage within Pennsylvania of individuals with income below official poverty levels, weighted at sixty percent (60%), and individuals identified as unemployed, weighted at forty percent (40%).
3. ***Changes to the Allocation Formula.*** PDA reserves the right to change the allocation formula at its own initiative or as directed by USDA. PDA reserves the right to adjust COMMODITY allocations to reflect changes in supply of COMMODITY available to Pennsylvania from USDA, and to reflect the demand of recipients by county as indicated on participation records of each county, and/or the acceptance of COMMODITY by counties.
4. ***COMMODITY Amount or Value.*** COMMODITY available to Pennsylvania under the PROGRAM is beyond the control of PDA. For this reason, PDA guarantees no minimum or maximum volume or "value of" COMMODITY allocations to the COUNTY.
5. ***Allocation Frequency.*** COMMODITY received by PDA under the PROGRAM will be allocated monthly. PDA may, at its discretion, change the frequency of these allocations.

COUNTY Responsibility.

6. ***Responding to an Allocation.***
 - a. ***Required Notification.*** Upon notification of its allocation of COMMODITY by PDA or the commercial distributor under contract with PDA to service the COUNTY, the COUNTY must *notify PDA or the commercial distributor, as applicable, within fifteen (15) calendar days from the date of the notification of* allocation of its refusal of all or part of the quantities of each COMMODITY included in the allocation.
 - b. ***Deemed Acceptance of an Allocation.*** No response by the COUNTY to the notification of allocation will be considered an acceptance of the full allocation.
 - c. ***Deemed Refusal of an Allocation.*** When the COUNTY fails to order for delivery within ninety (90) days of the notification of the allocation, any particular individual COMMODITY item that was included in that allocation, PDA may consider that particular individual COMMODITY item *refused* by the COUNTY and offer the item to other counties participating in the PROGRAM.
7. ***Ordering and Removing Accepted COMMODITY.*** COMMODITY considered by PDA to have been accepted by the COUNTY must be ordered by the COUNTY for delivery by the commercial

distributor under contract with PDA to serve the COUNTY or picked up by the COUNTY from that commercial distributor within ninety (90) days from the date of the notification of allocation.

8. ***Reallocation of Refused COMMODITY by PDA.*** COMMODITY refused by the COUNTY, or COMMODITY considered by PDA as refused, and/or COMMODITY held in the account of the COUNTY for more than ninety (90) days from the date of the allocation notification by the commercial distributor serving the COUNTY, may, at the discretion of PDA and without written notice to the COUNTY, be allocated to another county or agency.

III. PROGRAM Funds

Allocation of PROGRAM Funds from USDA.

9. ***Allocation in General.*** PROGRAM funds available to Pennsylvania from USDA and other sources identified by PDA for the PROGRAM will be used by PDA to reimburse the COUNTY for authorized expenses incurred in the distribution of COMMODITY and for other allowable costs of the PROGRAM. The total funds available for the PROGRAM may be reduced by:
 - a. Amounts authorized by USDA and required by PDA for state administrative expenses, including expenses incurred by PDA for the receipt, storage, and distribution of COMMODITY by commercial distributors under contract with PDA; and
 - b. Amounts PDA may, under authorization of USDA, convert to the purchase of additional quantities of COMMODITY.
10. ***Allocation not a Grant.*** PROGRAM funds made available under this Agreement are not considered to be a grant to the COUNTY. The funds are available to the COUNTY as reimbursement for allowable expenses incurred by the COUNTY or the COUNTY'S Lead Agency or other entity authorized by the COUNTY to participate in the PROGRAM.
11. ***COUNTY'S Duty to make Timely Claim for PROGRAM Funds.*** PROGRAM funds available to the COUNTY in each October-1-through-September-30 PROGRAM year, must be claimed by the COUNTY for the affected PROGRAM year. PDA is not responsible for reimbursement of PROGRAM expenses if the COUNTY fails to claim PROGRAM funds.

Use of PROGRAM Funds.

12. ***General Expenses.*** The COUNTY may use PROGRAM funds made available to the COUNTY by PDA for general expenses, including allowable expenses incurred by the COUNTY in its administration of the PROGRAM, including expenses related to the receipt, storage, and distribution of COMMODITY to recipients eligible for the PROGRAM.
13. ***Other Expenses.*** The COUNTY may use PROGRAM funds made available to the COUNTY by PDA for any other expenses permitted by this AGREEMENT, by PDA, and by applicable laws and regulations of the PROGRAM.

14. ***Prohibited Use: Expenses Related to BONUS COMMODITY.*** The COUNTY may **not claim** PROGRAM funds as payment or reimbursement for any expenses incurred with respect to any BONUS COMMODITY the COUNTY accepts and distributes. For purposes of this AGREEMENT, a BONUS COMMODITY is as defined by USDA; and is a food item that is offered by USDA but that is not charged against COMMODITY entitlement or against PROGRAM funds.

Claiming PROGRAM Funds.

15. ***Basis for Reimbursement.*** PDA shall reimburse allowable expenses incurred by the COUNTY on a Fixed Rate Per Pound (FRPP) basis.

16. ***FRPP – Amount.*** The FRPP shall be as follows:

- a. ***First Year of AGREEMENT.*** The FRPP Fee for COMMODITY distributed to recipients eligible under the PROGRAM in the first year of this AGREEMENT (through September 30, 2022) shall be twelve (12) cents.
- b. ***Subsequent Years of AGREEMENT.*** The FRPP Fee for COMMODITY distributed to recipients eligible under the PROGRAM in subsequent years of this AGREEMENT shall be determined by PDA. PDA shall advise the COUNTY in writing of any change in the FRPP Fee and the effective date of the new FRPP Fee.

17. ***FRPP – Calculation.*** Using FRPP, the amount of allowable expenses to be reimbursed shall be determined by multiplying the net case weight of COMMODITY distributed to recipients by the FRPP.

For example: A case of green beans containing 24, #303 units, and designated by PDA as a twenty-four (24) pound case, would have the FRPP applied to the twenty-four (24) pounds. If the established FRPP is \$0.12, the COUNTY would be reimbursed \$2.88 for each such twenty-four (24) pound case of green beans distributed.

18. ***On-Line Inventory and Expense Reporting.*** The COUNTY shall claim PROGRAM funds for allowable expenses by submitting an on-line Inventory and Expense Reimbursement Form to which PDA shall provide the COUNTY access. PDA and the COUNTY shall cooperate to ensure that the COUNTY has access to this on-line Inventory and Expense Reimbursement Form and familiarity with its use. The on-line Inventory and Expense Reimbursement Form shall require the COUNTY to certify to PDA that expenses incurred for the distribution of COMMODITY equal or exceed the applicable reimbursement claimed. **The COUNTY may not delegate responsibility for submitting the on-line Inventory and Expense Reimbursement Form to a Lead Agency or other entity.**

19. ***Required Maximum Invoice Interval.*** The COUNTY shall claim PROGRAM funds for allowable expenses by submitting an on-line Inventory and Expense Reimbursement Form to PDA **at least quarterly, on the following schedule with respect to each October-1-through-September-30 PROGRAM year during which this AGREEMENT is in effect:**

- a. **Due by January 30** – the COUNTY shall submit an on-line Inventory and Expense Reimbursement Form for reimbursement of allowable expenses incurred from the preceding October 1 through December 31.
- b. **Due by April 30** – the COUNTY shall submit an on-line Inventory and Expense Reimbursement Form for reimbursement of allowable expenses incurred from January 1 through March 31.
- c. **Due by July 30** – the COUNTY shall submit an on-line Inventory and Expense Reimbursement Form for reimbursement of allowable expenses incurred from April 1 through June 30.
- d. **Due by October 30** – the COUNTY shall submit an on-line Inventory and Expense Reimbursement Form for reimbursement of allowable expenses incurred from July 1 through September 30.

Failure by the COUNTY to submit the on-line Inventory and Expense Reimbursement Form to PDA by the deadlines established above, may result in forfeiture of that quarterly payment or other such reimbursements.

20. ***Optional Monthly Invoice Interval.*** The COUNTY may, at its discretion, claim PROGRAM funds for allowable expenses by submitting an on-line Inventory and Expense Reimbursement Form to PDA on a monthly basis. If the COUNTY exercises this option, it must *commence* with the first month of the October-1-through-September-30 PROGRAM year and continue making these reports through the end of that PROGRAM year. If the COUNTY exercises this option, the monthly submittal shall be made within thirty (30) days of the end of the month with respect to which the COUNTY seeks reimbursement of allowable expenses and shall specify the period with respect to which it is applicable.

21. ***Pennsylvania Electronic Payment Program.***

- a. The Commonwealth may make contract payments through its Automated Clearing House system (ACH), upon the COUNTY'S election. If the COUNTY so elects, within 10 days of award of the contract or purchase order, the COUNTY must submit or must have already submitted its ACH and electronic addenda information, if desired, to the Commonwealth's Payable Service Center, Vendor Data Management Unit at 717-214-0140 (FAX) or by mail to the Office of Comptroller Operations, Bureau of Payable Services, Payable Service Center, Vendor Data Management Unit, 555 Walnut Street – 9th Floor, Harrisburg, PA 17101. Electronic PEPP enrollment form is available at www.vendorregistration.state.pa.us/cvmu/paper/Forms/ACH-EFTenrollmentform.pdf
- b. The COUNTY must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth of Pennsylvania's ACH remittance advice to enable the contractor to properly apply PDA's payment to the invoice submitted.
- c. It is the responsibility of the COUNTY to ensure that the ACH information contained in SRM is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

Records; Review and Audit; Overpayment.

- 22. ***Records.*** The COUNTY agrees to provide PDA or its designated representative upon request, evidence of actual expenses incurred under the PROGRAM, to ensure that PROGRAM Funds are expended for allowable expenses (as described in Paragraph 12 (titled *General Expenses*) and Paragraph 13 (titled *Other Expenses*)), to provide PDA information to assist in establishing an appropriate FRPP rate, and to otherwise satisfy applicable Federal regulatory requirements.
- 23. ***Review and Audit.*** All payments made by PDA to the COUNTY under the PROGRAM are subject to review and audit by PDA or its designee.
- 24. ***Overpayment.*** If upon examination or audit of COUNTY records, PDA determines it reimbursed the COUNTY for more than it should have received under the FRPP rate, the COUNTY shall return to PDA any excess PROGRAM funds determined by PDA to have been received by the COUNTY.

Storage Fees.

- 25. ***Storage Fees.*** COMMODITY allocated to the COUNTY and remaining in the COUNTY'S account at the commercial distributor under contract with PDA for more than sixty (60) days is subject to a per case storage fee for each month or partial month thereof. Fees paid will not reduce payments of COUNTY'S PROGRAM funds. PDA reserves the right to reallocate to other counties or other entities, and without notification to the COUNTY, COMMODITY held in the COUNTY'S account at the commercial distributor under contract with PDA for more than ninety (90) days.

IV. COUNTY Designation of PROGRAM Lead Agency and Agreements

- 26. ***Designation of Lead Agency.*** If the COUNTY elects to designate a Lead Agency to perform in its place under this Agreement, it hereby designates the following entity as its PROGRAM Lead Agency:

Federal Identification Number: _____ - _____
Lead Agency Name: _____
Address: _____
City: _____

State: _____

Zip Code: _____

Telephone Number (with Area Code): _____

Fax Number: _____

Program Coordinator: _____

E-Mail Address of Program Coordinator: _____

COUNTY Agreement with LEAD AGENCY.

27. Federal Regulatory Compliance.

- a. In accordance with the federal regulatory requirement at 7 CFR § 251.2(d), the COUNTY agrees that – because it is allowed to further distribute PROGRAM COMMODITY and/or PROGRAM funds to other eligible recipient agencies (such as its designated Lead Agency) – the specific terms and conditions for doing so, including, if applicable, a list of specific organizations or types of organizations eligible to receive PROGRAM COMMODITY and/or PROGRAM funds, shall be identified either in the agreement with that eligible recipient agency or other written documents incorporated by reference into that agreement.
- b. In accordance with the federal regulatory provision at 7 CFR § 251.2(d)(1)(i), the COUNTY agrees that the COUNTY, its designated Lead Agency and any storage facility used for the handling, distribution or storage of PROGRAM COMMODITY will operate in accordance with the regulations at 7 CFR Part 250 and, as applicable, 7 CFR Part 251.
- c. In accordance with the federal regulatory provision at 7 CFR § 250.16 (a) the COUNTY agrees that the COUNTY and its designated Lead Agency are responsible to PDA for any improper distribution or use of PROGRAM COMMODITY or for any loss of (or damage to) PROGRAM COMMODITY caused by its fault or negligence.

28. ***COUNTY/Lead Agency Agreement Required.*** If the COUNTY designates a Lead Agency and provides to that Lead Agency PROGRAM COMMODITY or PROGRAM funds provided by PDA to the COUNTY under this AGREEMENT for the purpose of allowing that Lead Agency to receive and distribute COMMODITY or use PROGRAM funds in a manner consistent with this AGREEMENT, the COUNTY shall first acquire an agreement, or memorandum of understanding or similar written instrument between itself and that Lead Agency:
- a. Attaching a copy of this agreement to that document and incorporating this agreement into that document;
 - b. Requiring the Lead Agency to keep records of the use of COMMODITY and the PROGRAM funds;
 - c. Requiring the Lead Agency to make these records available to PDA or the COUNTY upon demand; and
 - d. Directing the Lead Agency to perform all functions of the Lead Agency under this Agreement, other than submitting the required on-line Inventory and Expense Reimbursement Form (as described in Paragraph 19 (titled *On-Line Inventory and Expense Reporting*), Paragraph 20 (titled *Required Maximum Invoice Interval*) and Paragraph 21 (titled *Optional Monthly Invoice Interval*)) – which shall remain the responsibility of the COUNTY.
29. ***Warehousing, Distribution and Storage of Donated Foods at the Distributing Agency Level; Federal Regulatory Requirements.*** In accordance with the federal regulatory provisions at 7 CFR §§ 250.12(a) through 250.12(f), which address the warehousing, distribution and storage of donated foods, the COUNTY and its designated Lead Agency agree that any facility used for the handling, storage and distribution of donated foods will meet the standards set forth in those subsections, which read in their entirety as follows:
- a. *Safe storage and control.* The distributing agency or subdistributing agency (which may include commercial storage facilities under contract with either the distributing agency or subdistributing agency, as applicable), must provide facilities for the storage and control of donated foods that protect against theft, spoilage, damage, or other loss. Accordingly, such storage facilities must maintain donated foods in sanitary conditions, at the proper temperature and humidity, and with adequate air circulation. The distributing agency must ensure that storage facilities comply with all Federal, State, or local requirements relative to food safety and health and procedures for responding to a food recall, as applicable, and obtain all required health inspections.
 - b. *Inventory management.* The distributing agency must ensure that donated foods at all storage facilities used by the distributing agency (or by a subdistributing agency) are stored in a manner that permits them to be distinguished from other foods and must ensure that a separate inventory record of donated foods is maintained. The distributing agency's system of inventory management must ensure that donated foods are distributed in a timely manner and in optimal condition. On an annual basis, the distributing agency must conduct a physical review of donated food inventories at all storage facilities used by the distributing agency (or by a

subdistributing agency) and must reconcile physical and book inventories of donated foods. The distributing agency must report donated food losses to FNS and ensure that restitution is made for such losses.

- c. *Inventory limitations.* The distributing agency is subject to the following limitations in the amount of donated food inventories on-hand, unless FNS approval is obtained to maintain larger inventories:
 - a. (1) For TEFAP, NSLP and other child nutrition programs, inventories of each category of donated food may not exceed an amount needed for a six-month period, based on an average amount of donated foods utilized in that period; and
 - b. (2) For CSFP and FDPIR, inventories of each category of donated food in the food package may not exceed an amount needed for a three-month period, based on an average amount of donated food that the distributing agency can reasonably utilize in that period to meet CSFP caseload or FDPIR average participation.
- d. *Inventory protection.* The distributing agency must obtain insurance to protect the value of donated foods at its storage facilities. The amount of such insurance must be at least equal to the average monthly value of donated food inventories at such facilities in the previous fiscal year. The distributing agency must also ensure that the following entities obtain insurance to protect the value of their donated food inventories, in the same amount required of the distributing agency in this paragraph (d):
 - c. (1) Subdistributing agencies;
 - d. (2) Recipient agencies in household programs that have an agreement with the distributing agency or subdistributing agency to store and distribute foods (except those recipient agencies which maintain inventories with a value of donated foods that do not exceed a defined threshold, as determined in FNS policy); and
 - e. (3) Commercial storage facilities under contract with the distributing agency or with an agency identified in paragraph (d)(1) or (2) of this section.
- e. *Transfer of donated foods.* The distributing agency may transfer donated foods from its inventories to another distributing agency, or to another program, in order to ensure that such foods may be utilized in a timely manner and in optimal condition, in accordance with this part. However, the distributing agency must request FNS approval. FNS may also require a distributing agency to transfer donated foods at the distributing agency's storage facilities or at a processor's facility, if inventories of donated foods are excessive or may not be efficiently utilized. If there is a question of food safety, or if directed by FNS, the distributing agency must obtain an inspection of donated foods by State or local health authorities, as necessary, to ensure that the donated foods are still safe and not out-of-condition before transferring them. The distributing agency is responsible for meeting any transportation or inspection costs incurred, unless it is determined by FNS that the transfer is not the result of negligence or improper action on the part of the distributing agency. The distributing agency must maintain a record of all transfers from its inventories, and of any inspections related to such transfers.
- f.

- f. *Commercial storage facilities or carriers.* The distributing agency may obtain the services of a commercial storage facility to store and distribute donated foods, or a carrier to transport donated foods, but must do so in compliance with procurement requirements in 2 CFR part 200, subpart D, and USDA implementing regulations at 2 CFR parts 400 and 416. The distributing agency must enter into a written contract with a commercial storage facility or carrier, which may not exceed five years in duration, including any extensions or renewals. The contract must include applicable provisions required by Federal statutes and executive orders listed in 2 CFR part 200, appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, and USDA implementing regulations at 2 CFR parts 400 and 416. The contract must also include, as applicable to a storage facility or carrier, provisions that:
 - g. (1) Assure storage, management, and transportation of donated foods in a manner that properly safeguards them against theft, spoilage, damage, or other loss, in accordance with the requirements in this part;
 - h. (2) Assure compliance with all Federal, State, or local requirements relative to food safety and health, including required health inspections, and procedures for responding to a food recall;
 - i. (3) Assure storage of donated foods in a manner that distinguishes them from other foods, and assure separate inventory recordkeeping of donated foods;
 - j. (4) Assure distribution of donated foods to eligible recipient agencies in a timely manner, in optimal condition, and in amounts for which such recipient agencies are eligible;
 - k. (5) Include the amount of insurance coverage obtained to protect the value of donated foods;
 - l. (6) Permit the performance of on-site reviews of the storage facility by the distributing agency, the Comptroller General, the Department of Agriculture, or any of its duly authorized representatives, in order to determine compliance with requirements in this part;
 - m. (7) Establish the duration of the contract, and provide for extension or renewal of the contract only upon fulfillment of all contract provisions;
 - n. (8) Provide for expeditious termination of the contract by the distributing agency for noncompliance with its provisions; and
 - o. (9) Provide for termination of the contract by either party for other cause, after written notification of such intent at least 60 days prior to the effective date of such action.

Recipient Agency Level: In accordance with the federal regulatory provisions at 7 CFR §250.14 (a) and (b), which address storage and inventory management at the recipient agency level, the COUNTY and its designated Lead Agency agree that any agency used for the storage and distribution of donated foods will meet the standards set forth in those subsections, which read in their entirety as follows:

- a. *Safe storage and control.* Recipient agencies must provide facilities for the storage and control of donated foods that protect against theft, spoilage, damage, or other loss. Accordingly, such storage facilities must maintain donated foods in sanitary conditions, at the proper temperature and humidity, and with adequate air circulation. Recipient agencies must ensure that storage facilities comply with all Federal, State, or local requirements relative to food safety and health

and procedures for responding to a food recall, as applicable, and obtain all required health inspections.

- b. *Inventory management—household programs.* Recipient agencies in household programs must store donated foods in a manner that permits them to be distinguished from other foods in storage and must maintain a separate inventory record of donated foods. Such recipient agencies' system of inventory management must ensure that donated foods are distributed to recipients in a timely manner that permits use of such foods while still in optimal condition. Such recipient agencies must notify the distributing agency of donated food losses and take further actions with respect to such food losses, as directed by the distributing agency.

Further, in accordance with federal regulatory provisions at 7 CFR §§ 250.12 (a) through 250.12 (f) and 7 CFR § 250.14 (a) and (b) quoted directly above, the COUNTY consents to inspection and inventory by the “distributing agency, subdistributing agency, recipient agency, the Comptroller General, PDA or any of their duly authorized representatives” for purposes of monitoring compliance with the Program Management Agreement and applicable Federal regulations.

30. ***COUNTY’S Responsibility to Ensure Records are Kept by Lead Agency; COUNTY’S Financial Responsibility.*** The COUNTY shall be responsible for the failure of its Lead Agency to keep or make available the referenced records and shall repay to PDA the entire amount of PROGRAM funds provided to its Lead Agency if that Lead Agency fails to make these records available to PDA upon written demand.
31. ***Prohibition.*** The COUNTY may not delegate responsibility for submitting the on-line Inventory and Expense Reimbursement Form to a Lead Agency or other entity.
32. ***Copy of Agreement.*** The COUNTY shall submit to PDA upon request, a copy of the agreement with its designated Lead Agency.

COUNTY and Lead Agency Agreements with Other Entities.

33. ***Agreement Required.*** If the COUNTY or its Lead Agency provide COMMODITY or PROGRAM funds received by the COUNTY under this AGREEMENT to any entity for the purpose of allowing that entity to receive and distribute COMMODITY or use PROGRAM funds in a manner consistent with this AGREEMENT, the COUNTY or its Lead Agency shall first acquire an agreement or memorandum of understanding or similar written instrument between itself and that entity:
 - a. Attaching a copy of this agreement to that document and incorporating this agreement into that document;
 - b. Requiring the entity to keep records of the use of the COMMODITY and the administrative funds, in accordance with the requirements of this AGREEMENT; and
 - c. Requiring the entity to make the records available to PDA, the COUNTY or the Lead Agency upon demand.

34. ***COUNTY'S Responsibility to Ensure Records are Kept by Other Entity; COUNTY'S Financial Responsibility.*** The COUNTY shall be responsible for the failure of any such entity to keep or make available the referenced records and shall repay to PDA the entire amount of PROGRAM funds provided to such entity if that entity fails to make these records available to PDA upon written demand.
35. ***Copy of Agreement.*** The COUNTY or its Lead Agency must submit to PDA upon request, copies of any agreement with an entity receiving PROGRAM COMMODITY or PROGRAM funds. These are to be sent to PDA electronically.

V. Plan of Operation

Submission of Plan of Operation.

36. ***Plan of Operation Required.*** The COUNTY shall submit a Plan of Operation for its administration of the PROGRAM when submitting its signed AGREEMENT. PDA will not authorize the release of any COMMODITY or PROGRAM funds to the COUNTY until a Plan of Operation is received and approved, and a properly signed AGREEMENT is received and processed.
37. ***Contents of Plan of Operation.*** The Plan of Operation shall include at minimum, the following:
- a. The name, address, telephone number, and email address of the person PDA shall contact at the COUNTY office concerning PROGRAM operations, and if the COUNTY designates a Lead Agency (see above), the name, address, telephone number, and email address of the person PDA shall contact within the Lead Agency concerning daily activities and other matters affecting PROGRAM operations.
 - b. The method the COUNTY or its Lead Agency will utilize to execute the PROGRAM within the COUNTY, including a description of procedures used to ensure equitable distribution of COMMODITY to recipients eligible under the PROGRAM within the COUNTY. The COUNTY is encouraged to distribute COMMODITY to eligible recipients through food pantries.
 - c. The method the COUNTY or its Lead Agency will use to ensure adequate media coverage of PROGRAM activities, including the methods, times and places where COMMODITY can be accessed by eligible recipients. Public service announcements are encouraged.

VI. COUNTY Certifications.

38. ***Certifications.*** The COUNTY, upon execution of this AGREEMENT, certifies or acknowledges the following:
- a. The COUNTY and/or its Lead Agency has the capability and will responsibly and equitably distribute to eligible recipients, in accordance with eligibility criteria established annually by PDA and/or USDA, COMMODITY allocated to the COUNTY by PDA.
 - b. The COUNTY'S written agreements with its Lead Agency and any other entity receiving PROGRAM COMMODITY or PROGRAM funds does not diminish requirements of this

AGREEMENT on the COUNTY, nor diminish PDA'S rights and privileges defined in this AGREEMENT.

- c. The COUNTY'S Lead Agency, serving as the Emergency Feeding Organization (EFO) for the PROGRAM as defined by USDA, is a non-profit 501(c)(3) organization as defined by the Internal Revenue Code.

The Grantee agrees:

- 1.** In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the grant agreement or any subgrant agreement, contract, or subcontract, the Grantee, a subgrantee, a contractor, a subcontractor, or any person acting on behalf of the Grantee shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
- 2.** The Grantee, any subgrantee, contractor or any subcontractor or any person on their behalf shall not in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any of its employees.
- 3.** Neither the Grantee nor any subgrantee nor any contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under the grant agreement, subgrant agreement, contract or subcontract.
- 4.** Neither the Grantee nor any subgrantee nor any contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the *Public Employee Relations Act*, *Pennsylvania Labor Relations Act* or *National Labor Relations Act*, as applicable and to the extent determined by entities charged with such Acts' enforcement, and shall comply with any provision of law establishing organizations as employees' exclusive representatives.
- 5.** The Grantee, any subgrantee, contractor or any subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees in writing of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the grant services are performed shall satisfy this requirement for employees with an established work site.
- 6.** The Grantee, any subgrantee, contractor or any subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against any subgrantee, contractor, subcontractor or supplier who is qualified to perform the work to which the grant relates.
- 7.** The Grantee and each subgrantee, contractor and subcontractor represent that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. The Grantee and each subgrantee, contractor and subcontractor further

represents that it has filed a Standard Form 100 Employer Information Report (“EEO-1”) with the U.S. Equal Employment Opportunity Commission (“EEOC”) and shall file an annual EEO-1 report with the EEOC as required for employers’ subject to *Title VII* of the *Civil Rights Act of 1964*, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Grantee, any subgrantee, any contractor or any subcontractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the granting agency and the Bureau of Diversity, Inclusion and Small Business Opportunities for the purpose of ascertaining compliance with the provisions of this Nondiscrimination/Sexual Harassment Clause.

- 8.** The Grantee, any subgrantee, contractor or any subcontractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subgrant agreement, contract or subcontract so that those provisions applicable to subgrantees, contractors or subcontractors will be binding upon each subgrantee, contractor or subcontractor.
- 9.** The Granter’s and each subgrantee’s, contractor’s and subcontractor’s obligations pursuant to these provisions are ongoing from and after the effective date of the grant agreement through the termination date thereof. Accordingly, the Grantee and each subgrantee, contractor and subcontractor shall have an obligation to inform the Commonwealth if, at any time during the term of the grant agreement, it becomes aware of any actions or occurrences that would result in violation of these provisions.
- 10.** The Commonwealth may cancel or terminate the grant agreement and all money due or to become due under the grant agreement may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the granting agency may proceed with debarment or suspension and may place the Grantee, subgrantee, contractor, or subcontractor in the Contractor Responsibility File.

Attachment "B"

CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

1. DEFINITIONS. For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:

- a. **"Affiliate"** means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.
- b. **"Consent"** means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of the execution of this contract.
- c. **"Contractor"** means the individual or entity, that has entered into this contract with the Commonwealth.
- d. **"Contractor Related Parties"** means any affiliates of the Contractor and the Contractor's executive officers, Pennsylvania officers and directors, or owners of 5 percent or more interest in the Contractor.
- e. **"Financial Interest"** means either:
 - (1) Ownership of more than a five percent interest in any business; or
 - (2) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.
- f. **"Gratuity"** means tendering, giving, or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. The exceptions set forth in the *Governor's Code of Conduct, Executive Order 1980-18, the 4 Pa. Code §7.153(b)*, shall apply.
- g. **"Non-bid Basis"** means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.

2. In furtherance of this policy, Contractor agrees to the following:

- a. Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.

- b. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- c. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.
- d. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- e. Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:
 - (1) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
 - (2) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
 - (3) had any business license or professional license suspended or revoked;
 - (4) had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and
 - (5) been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when

entering into the contract.

- f. Contractor shall comply with the requirements of the Lobbying Disclosure Act (65 Pa.C.S. 513A01 et seq.) regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the Section 1641 of the Pennsylvania Election Code (25 P.S. 53260a).
- g. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
- h. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- i. Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third-party beneficiaries shall be created thereby.
- j. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

AUDIT REQUIREMENTS FOR SUBRECIPIENTS RECEIVING FEDERAL AWARDS FROM THE COMMONWEALTH

The COUNTY identified in the foregoing Agreement, hereinafter referred to as Subrecipient, must comply with all applicable federal and state grant requirements including *The Single Audit Act Amendments of 1996*; *2 CFR Part 200 as amended*; and any other applicable law or regulation, and any amendment to such other applicable law or regulation that may be enacted or promulgated by the federal government.

If the SUBRECIPIENT is a local government or non-profit organization that expends \$750,000 or more in federal awards during its fiscal year, the [NAME OF SUBRECIPIENT] is required to provide the appropriate single or program specific audit in accordance with the provisions outlined in *2 CFR Part 200.501*.

If the SUBRECIPIENT expends total federal awards of less than the threshold established by *2 CFR 200.501*, it is exempt from federal audit requirements for that year, but records must be available for review or audit by appropriate officials (or designees) of the federal agency, pass-through entity, and Government Accountability Office (GAO).

If the SUBRECIPIENT is a for-profit entity, it is not subject to the auditing and reporting requirements of *2 CFR Part 200, Subpart F – Audit Requirements (Subpart F)*. However, the pass-through commonwealth agency is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The contract with the for-profit subrecipient should describe applicable compliance requirements and the for-profit subrecipient’s compliance responsibility. Methods to ensure compliance for federal awards made to for-profit subrecipients may include pre- award audits, monitoring during the contract and post-award audits. The post-award audits may be in the form of a financial audit in accordance with *Government Auditing Standards*, a single audit report or program-specific audit report in accordance with *Subpart F*. However, these post-award audits must be submitted directly to the affected commonwealth agency that provided the funding. Only single audit reports for local governmental and non-profit subrecipients are electronically submitted to the Federal Audit Clearinghouse.

ADDITIONAL POTENTIAL COMPONENTS OF THE SINGLE AUDIT REPORTING PACKAGE

In instances where a federal program-specific audit guide is available, the audit report package for a program-specific audit may be different and should be prepared in accordance with the appropriate audit guide, *Government Auditing Standards*, and *Subpart F*.

In addition to the requirements of *Subpart F*, commonwealth agencies may require that the single audit reporting packages include additional components in the SEFA, or supplemental schedules, as identified through the respective grant agreement.

SUBMISSION OF THE AUDIT REPORT

The SUBRECIPIENT must submit an electronic copy of the audit report package to the Federal Audit Clearinghouse, which shall include the elements outlined in *Subpart F*.

SUBMISSION OF THE FEDERAL AUDIT CLEARINGHOUSE CONFIRMATION

The SUBRECIPIENT must send a copy of the confirmation from the Federal Audit Clearinghouse to the resource account RA-BOASingleAudit@pa.gov.

AUDIT OVERSIGHT PROVISIONS.

The SUBRECIPIENT is responsible for obtaining the necessary audit and securing the services of a certified public accountant or independent governmental auditor.

The commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial or performance nature, if deemed necessary by commonwealth or federal agencies. Any such additional audit work will rely on work already performed by the SUBRECIPIENT's auditor and the costs for any additional work performed by the federal or state agencies will be borne by those agencies at no additional expense to the SUBRECIPIENT.

Audit documentation and audit reports must be retained by the SUBRECIPIENT's auditor for a minimum of five years from the date of issuance of the audit report, unless the SUBRECIPIENT's auditor is notified in writing by the commonwealth, the cognizant federal agency for audit, or the oversight federal agency for audit to extend the retention period. Audit documentation will be made available upon request to authorized representatives of the commonwealth, the cognizant federal agency for audit, the oversight federal agency for audit, the federal funding agency, or the GAO.

For the purpose of these provisions, the term “the Commonwealth” shall refer to the granting Commonwealth agency.
- b. If the Commonwealth needs the Grantee’s or Subgrantee’s assistance in any matter arising out of the RTKL related to this Grant Agreement, it shall notify the Grantee or Subgrantee using the legal contact information provided in the Grant Agreement. The Grantee or Subgrantee, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
- c. Upon written notification from the Commonwealth that it requires Grantee’s or Subgrantee’s assistance in responding to a request under the RTKL for information related to this Grant Agreement that may be in Grantee’s or Subgrantee’s possession, constituting, or alleged to constitute, a public record in accordance with the RTKL (“Requested Information”), Grantee or Subgrantee shall:

If Grantee or Subgrantee fails to provide the Requested Information within the time period required by these provisions, Grantee or Subgrantee shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of Grantee’s or Subgrantee’s failure, including any statutory damages assessed against the Commonwealth.
- g. The Commonwealth will reimburse Grantee or Subgrantee for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

Grantee or Subgrantee may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, Grantee or Subgrantee shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of Grantee’s or Subgrantee’s

failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, Grantee or Subgrantee agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.

**Program Management Agreement
For Non-Governmental Agencies Participating in
The Emergency Food Assistance Program (TEFAP)**

This Program Management Agreement (hereinafter referred to as “AGREEMENT”) is entered into by and between _____, having its _____ business _____ address _____ at _____

_____, (hereinafter referred to as “AGENCY”), and the Pennsylvania Department of Agriculture, (hereinafter referred to as “PDA”), having its principal offices at 2301 North Cameron Street, Harrisburg, PA 17110-9408, and establishes the terms and conditions pursuant to which the AGENCY shall participate in **The Emergency Food Assistance Program** (hereinafter referred to as “PROGRAM”). PDA participates in the PROGRAM under guidelines established by the United States Department of Agriculture (hereinafter referred to as “USDA”).

The AGENCY certifies the execution of this AGREEMENT, including the receipt, distribution and use of PROGRAM food (hereinafter referred to as “COMMODITY”), shall be completed in accordance with governing state and federal laws, regulations and guidelines, and in accordance with the terms and conditions presented below.

1. **Purpose.** The AGREEMENT provides for the responsible distribution and use of COMMODITY made available to Pennsylvania by USDA under The Emergency Food Assistance Program (TEFAP) as provided for under provisions of Public Law 98-92, as amended, and all applicable regulations.
2. **PROGRAM COMMODITY - Offering of PROGRAM COMMODITY.**
 - a. COMMODITY available to Pennsylvania under the PROGRAM under this AGREEMENT will be offered to the AGENCY in quantities and on a schedule determined by PDA. COMMODITY will be offered to the AGENCY for distribution to recipient agencies as determined eligible by PDA.
 - b. COMMODITY made available to Pennsylvania under the PROGRAM is beyond the control of PDA; therefore, PDA guarantees no minimum or maximum volume of COMMODITY offerings to the AGENCY.

3. PROGRAM COMMODITY - Frequency and Method of COMMODITY Offerings. When available, PDA will offer COMMODITY to the AGENCY, with no fixed schedule guaranteed. An offer will be directed to the AGENCY by e-mail, telephone call, or other electronic means, and will specify the time within which the AGENCY must respond to the offer. This offer of COMMODITY is described as a “notice of offer” throughout this AGREEMENT.

4. PROGRAM COMMODITY - AGENCY Responsibility.

- a. **Responding to a Notice of Offer.** The AGENCY shall provide its response to a notice of offer to PDA within the time period specified in that notice of offer.
- b. **Distribution of COMMODITY by AGENCY.** COMMODITY offered to the AGENCY under the AGREEMENT is intended for distribution only to eligible recipient agencies. The AGENCY has the obligation to ensure that any entity to which it distributes COMMODITY under this AGREEMENT provides full access for PDA to review and audit all records relating to the receipt and distribution of COMMODITY received by that entity (see Paragraph No. 7, below).
- c. **Separate Accounting.** The receipt, distribution, and inventory of COMMODITY received by the AGENCY under this AGREEMENT must be accounted for separately from COMMODITY the AGENCY receives from other sources, i.e. counties or other agencies participating in the PROGRAM under separate agreements with PDA. A physical count of COMMODITY received by the AGENCY must be taken no less than annually, and reconciled to book inventory records.
- d. **Food Safety/Food Recalls.** In accordance with the federal regulatory provision at 7 CFR § 250.4(c)(2), the AGENCY agrees that the AGENCY, and any entity to whom it provides COMMODITY, will follow all applicable Federal, State, or local requirements for COMMODITY relating to food safety and/or subject to a food recall. This includes following procedures and instructions from PDA for responding to COMMODITY subject to a food recall to ensure that such foods are isolated, inspected, and recovered in an expeditious manner.

5. Federal Regulatory Compliance.

- a. In accordance with the federal regulatory requirement at 7 CFR § 251.2(d), the AGENCY agrees that – because it is allowed to further distribute PROGRAM COMMODITY to other eligible recipient agencies– the specific terms and conditions for doing so, including, if applicable, a list of specific organizations or types of organizations eligible to receive PROGRAM COMMODITY and/or PROGRAM funds, shall be identified either in the agreement with that eligible recipient agency or other written documents incorporated by reference into that agreement.
- b. In accordance with the federal regulatory provision at 7 CFR § 251.2(d)(1)(i), the AGENCY agrees that the AGENCY and any storage facility used for the handling, distribution or storage of PROGRAM COMMODITY will operate in accordance with the regulations at 7 CFR Part 250 and, as applicable, 7 CFR Part 251.

- c. In accordance with the federal regulatory provision at 7 CFR § 250.16 (a) the AGENCY agrees that it is responsible to PDA for any improper distribution or use of PROGRAM COMMODITY or for any loss of (or damage to) PROGRAM COMMODITY caused by its fault or negligence.

6. Warehousing, Distribution and Storage of Donated Foods at the Distributing Agency Level; Federal Regulatory Requirements. In accordance with the federal regulatory provisions at 7 CFR §§ 250.12(a) through 250.12(f), which address the warehousing, distribution and storage of donated foods, the AGENCY agrees that any facility used for the handling, storage and distribution of donated foods will meet the standards set forth in those subsections, which read in their entirety as follows:

- a. *Safe storage and control.* The distributing agency or subdistributing agency (which may include commercial storage facilities under contract with either the distributing agency or subdistributing agency, as applicable), must provide facilities for the storage and control of donated foods that protect against theft, spoilage, damage, or other loss. Accordingly, such storage facilities must maintain donated foods in sanitary conditions, at the proper temperature and humidity, and with adequate air circulation. The distributing agency must ensure that storage facilities comply with all Federal, State, or local requirements relative to food safety and health and procedures for responding to a food recall, as applicable, and obtain all required health inspections.
- b. *Inventory management.* The distributing agency must ensure that donated foods at all storage facilities used by the distributing agency (or by a subdistributing agency) are stored in a manner that permits them to be distinguished from other foods, and must ensure that a separate inventory record of donated foods is maintained. The distributing agency's system of inventory management must ensure that donated foods are distributed in a timely manner and in optimal condition. On an annual basis, the distributing agency must conduct a physical review of donated food inventories at all storage facilities used by the distributing agency (or by a subdistributing agency), and must reconcile physical and book inventories of donated foods. The distributing agency must report donated food losses to FNS, and ensure that restitution is made for such losses.
- c. *Inventory limitations.* The distributing agency is subject to the following limitations in the amount of donated food inventories on-hand, unless FNS approval is obtained to maintain larger inventories:
 - (1) For TEFAP, NSLP and other child nutrition programs, inventories of each category of donated food may not exceed an amount needed for a six-month period, based on an average amount of donated foods utilized in that period; and
 - (2) For CSFP and FDPIR, inventories of each category of donated food in the food package may not exceed an amount needed for a three-month period, based on an average amount of donated food that the distributing agency can reasonably utilize in that period to meet CSFP caseload or FDPIR average participation.
- d. *Inventory protection.* The distributing agency must obtain insurance to protect the value of donated foods at its storage facilities. The amount of such insurance must be at least equal to the average monthly value of donated food inventories at such facilities in the previous fiscal

year. The distributing agency must also ensure that the following entities obtain insurance to protect the value of their donated food inventories, in the same amount required of the distributing agency in this paragraph (d):

(1) Subdistributing agencies;

(2) Recipient agencies in household programs that have an agreement with the distributing agency or subdistributing agency to store and distribute foods (except those recipient agencies which maintain inventories with a value of donated foods that do not exceed a defined threshold, as determined in FNS policy); and

(3) Commercial storage facilities under contract with the distributing agency or with an agency identified in paragraph (d)(1) or (2) of this section.

e. *Transfer of donated foods.* The distributing agency may transfer donated foods from its inventories to another distributing agency, or to another program, in order to ensure that such foods may be utilized in a timely manner and in optimal condition, in accordance with this part. However, the distributing agency must request FNS approval. FNS may also require a distributing agency to transfer donated foods at the distributing agency's storage facilities or at a processor's facility, if inventories of donated foods are excessive or may not be efficiently utilized. If there is a question of food safety, or if directed by FNS, the distributing agency must obtain an inspection of donated foods by State or local health authorities, as necessary, to ensure that the donated foods are still safe and not out-of-condition before transferring them. The distributing agency is responsible for meeting any transportation or inspection costs incurred, unless it is determined by FNS that the transfer is not the result of negligence or improper action on the part of the distributing agency. The distributing agency must maintain a record of all transfers from its inventories, and of any inspections related to such transfers.

f. *Commercial storage facilities or carriers.* The distributing agency may obtain the services of a commercial storage facility to store and distribute donated foods, or a carrier to transport donated foods, but must do so in compliance with procurement requirements in 2 CFR part 200, subpart D, and USDA implementing regulations at 2 CFR parts 400 and 416. The distributing agency must enter into a written contract with a commercial storage facility or carrier, which may not exceed five years in duration, including any extensions or renewals. The contract must include applicable provisions required by Federal statutes and executive orders listed in 2 CFR part 200, appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, and USDA implementing regulations at 2 CFR parts 400 and 416. The contract must also include, as applicable to a storage facility or carrier, provisions that:

(1) Assure storage, management, and transportation of donated foods in a manner that properly safeguards them against theft, spoilage, damage, or other loss, in accordance with the requirements in this part;

(2) Assure compliance with all Federal, State, or local requirements relative to food safety and health, including required health inspections, and procedures for responding to a food recall;

(3) Assure storage of donated foods in a manner that distinguishes them from other foods, and assure separate inventory recordkeeping of donated foods;

- (4) Assure distribution of donated foods to eligible recipient agencies in a timely manner, in optimal condition, and in amounts for which such recipient agencies are eligible;
- (5) Include the amount of insurance coverage obtained to protect the value of donated foods;
- (6) Permit the performance of on-site reviews of the storage facility by the distributing agency, the Comptroller General, the Department of Agriculture, or any of its duly authorized representatives, in order to determine compliance with requirements in this part;
- (7) Establish the duration of the contract, and provide for extension or renewal of the contract only upon fulfillment of all contract provisions;
- (8) Provide for expeditious termination of the contract by the distributing agency for noncompliance with its provisions; and
- (9) Provide for termination of the contract by either party for other cause, after written notification of such intent at least 60 days prior to the effective date of such action.

Recipient Agency Level: In accordance with the federal regulatory provisions at 7 CFR §250.14 (a) and (b), which address storage and inventory management at the recipient agency level, the AGENCY agrees that any agency used for the storage and distribution of donated foods will meet the standards set forth in those subsections, which read in their entirety as follows:

- a. *Safe storage and control.* Recipient agencies must provide facilities for the storage and control of donated foods that protect against theft, spoilage, damage, or other loss. Accordingly, such storage facilities must maintain donated foods in sanitary conditions, at the proper temperature and humidity, and with adequate air circulation. Recipient agencies must ensure that storage facilities comply with all Federal, State, or local requirements relative to food safety and health and procedures for responding to a food recall, as applicable, and obtain all required health inspections.
- b. *Inventory management—household programs.* Recipient agencies in household programs must store donated foods in a manner that permits them to be distinguished from other foods in storage, and must maintain a separate inventory record of donated foods. Such recipient agencies' system of inventory management must ensure that donated foods are distributed to recipients in a timely manner that permits use of such foods while still in optimal condition. Such recipient agencies must notify the distributing agency of donated food losses and take further actions with respect to such food losses, as directed by the distributing agency.

Further, in accordance with federal regulatory provisions at 7 CFR §§ 250.12 (a) through 250.12 (f) and 7 CFR § 250.14 (a) and (b) quoted directly above, the AGENCY consents to inspection and inventory by the “distributing agency, subdistributing agency, recipient agency, the Comptroller General, PDA or any of their duly authorized representatives” for purposes of monitoring compliance with the Program Management Agreement and applicable Federal regulations.

7. Agency Agreements with Other Entities.

- a. If the AGENCY provides COMMODITY received by the AGENCY under this AGREEMENT to any entity for the purpose of allowing that entity to receive and distribute COMMODITY in a manner consistent with this AGREEMENT, the AGENCY shall first acquire an agreement between itself and that entity which:
 - i. Specifies the purpose for which COMMODITY is to be used;
 - ii. Requires the entity to keep records of the use of COMMODITY; and

- b. The AGENCY must submit to PDA a list of all entities to whom AGENCY provides COMMODITY.
- c. The AGENCY must submit to PDA upon request copies of agreements it executes with entities receiving COMMODITY.
- d. The AGENCY shall be responsible for the failure of any entity to which it provides COMMODITY to keep or make available the referenced records, and shall repay to PDA the value of COMMODITY provided to that entity if that entity fails to make the requested records available to PDA upon written demand, or fails to distribute COMMODITY in accordance with this AGREEMENT.

9. Plan of Operation. The AGENCY must submit a Plan of Operation for its administration of the PROGRAM when submitting its signed AGREEMENT. PDA will not authorize the release of any COMMODITY to the AGENCY until a Plan of Operation is received and approved, and a properly signed AGREEMENT is received and processed. The Plan of Operation shall include at minimum:

- a. The name, address and telephone number of the person PDA shall contact at the AGENCY office concerning PROGRAM operations.
- b. The method the AGENCY will utilize to execute the PROGRAM within the AGENCY, including a description of procedures used to ensure equitable distribution of COMMODITY to recipients eligible under the PROGRAM within the AGENCY's entire service territory. Record retention requirements of the PROGRAM must be included in the AGENCY'S agreement with all entities participating in the PROGRAM.

CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth procurement process.

In furtherance of this policy, Contractor agrees to the following:

1. - 1) Maintain documentation for the receipt and disposition of TEFAP commodity and administrative funds;

- 3) Maintain a system which allocates or distributes TEFAP commodity or TEFAP administrative funds to participating pantries, soup kitchens, shelters and other eligible agencies on the basis of demonstrated need;
- 4) Maintain a system that regularly reviews participating agencies and adjusts allocations of TEFAP commodity on the basis of demonstrated need; and
- 5) Execute and maintain a permanent "AGREEMENT BETWEEN COUNTY/LEAD AGENCY AND LOCAL RECIPIENT AGENCY RESPONSIBLE FOR THE DISTRIBUTION OF USDA FOODS THROUGH TEFAP" (sample included below) with each pantry, soup kitchen, shelter or other agency to which it distributes TEFAP commodity, which outlines program responsibilities and provides for the review of program activities by the Pennsylvania Department of Agriculture or its designees. Each County or Lead Agency may attach as an addendum to this agreement and additional provisions they wish to include for their local agencies.

- 6) Complete and maintain a Civil Rights Pre-Award Questionnaire (sample included below), pursuant to FNS Instruction 113-1, prior to approving any new agency to receive and distribute USDA Foods through TEFAP.

**AGREEMENT BETWEEN COUNTY/LEAD AGENCY
AND LOCAL RECIPIENT AGENCY RESPONSIBLE FOR THE
DISTRIBUTION OF USDA FOODS THROUGH TEFAP**

This Agreement, hereinafter called the "Agreement," made this ____ day of _____, 20____ by and between _____ County (OR _____, *the designated TEFAP Lead Agency for _____ County*), called the "Lead Agency", whose address is _____, city of _____, and _____, called the "Local Recipient Agency", whose address is _____, city of _____, county of _____.

This agreement is for the distribution of the Lead Agency's United States Department of Agriculture (USDA) Foods provided under The Emergency Food Assistance Program (TEFAP) by the Local Recipient Agency in the following county: _____.

In consideration of the mutual premises hereinafter contained, the parties agree that this Agreement will be performed in accordance with the following conditions.

I. Local Recipient Agency attests that:

1. It is an emergency feeding organization as defined in 7 CFR Part 251.3.
2. It is located within the County and/or Lead Agency's designated service area.

II. Local Recipient Agency agrees to:

1. Administer and distribute USDA Foods provided for TEFAP in compliance with the requirements of 7 CFR Part 251; 7 CFR Part 250; all pertinent policies, rules, and regulations; Pennsylvania's TEFAP Plan of Operation; and the Pennsylvania Department of Agriculture's written agreement with USDA's Food and Nutrition Service (FNS).
2. Distribute USDA Foods provided for TEFAP only to benefit eligible people served in its designated service area.
3. Determine eligibility of households to participate in TEFAP prior to issuing any USDA Foods for household consumption. In the case of self-declaration, the Local Recipient Agency agrees to use the current income eligibility chart issued by the Pennsylvania Department of Agriculture, Bureau of Food Assistance, prior to July 1 of each year.
4. Use USDA Foods provided for TEFAP only for distribution to eligible households or for congregate feeding. USDA Foods shall not be sold, exchanged, traded, or otherwise disposed of without the approval of the Pennsylvania Department of Agriculture.
5. Allow the Pennsylvania Department of Agriculture access to or furnish whatever information/documentation is necessary for the Department to conduct reviews, and monitor progress or performance to determine conformity with intended program

purposes. The Local Recipient Agency shall permit representatives of the Department and/or USDA to visit its sites; inspect USDA Foods in storage, or the facilities used in handling or storing USDA Foods; to monitor distributions; and to review and audit all records pertinent to TEFAP at any reasonable time and place during normal working hours.

6. Not solicit donations in any manner from clients or require any client to pay for USDA Foods, join any organization or group, attend or participate in a religious practice or service, or any other activity unrelated to the distribution of USDA Foods, as a condition for receiving food provided through TEFAP.
7. Attend training provided by the County/Lead Agency regarding TEFAP, Civil Rights, etc., as required, and train staff on a regular basis and not less than annually on all aspects of TEFAP, Civil Rights laws, policies and requirements, etc.

III. Issuance Records.

1. **Food Pantries.** Local Recipient Agencies distributing USDA Foods provided for TEFAP to households for home consumption must certify the client's eligibility, using the appropriate form and income guidelines provided by the Pennsylvania Department of Agriculture for this purpose. Eligibility certification is valid through June 30 of the following year and may be renewed unless client's circumstances change so as to make them ineligible. The Local Recipient Agency must keep a record of the names of all households receiving food each day. Recipient should sign a receipt or list each time they receive food. Federal regulations do not require keeping a record of the specific USDA Foods or quantities issued to each household.
2. **Soup Kitchens.** Maintain record of number of meals served daily. Sites do not have to maintain records of the names of people to whom they serve meals, and meal recipients do not have to sign for their meals.

IV. Permanent Agreement. This Agreement between the County/Lead Agency and the Local Recipient Agency responsible for the distribution of USDA Foods through TEFAP shall be considered PERMANENT, with amendments made as necessary.

V. Termination. Either party may terminate this Agreement by giving thirty (30) days notice in writing. The County/Lead Agency may cancel this Agreement immediately upon receipt of evidence that the Local Recipient Agency has not fully met the terms and conditions of the Agreement. Subject to notice of termination or cancellation of the Agreement, the Local Recipient Agency agrees to comply with the instructions of the State Agency as to any remaining inventory of commodity.

VI. Storage Facilities. The Local Recipient Agency will ensure that USDA Foods are stored under sanitary conditions which are free from rodent, bird, insect, or other animal infestation, in well ventilated areas which are safeguarded against theft, spoilage and other losses. USDA donated foods must be stored off the floor either on pallets, racks, or shelves and organized to provide easy identity and access. All USDA Food losses must be

reported through the County/Lead Agency so that the State Agency can make a claim determination. Losses or damage resulting from negligence may require reimbursement.

- VII. Records Retention.** All records, documents, etc., required by USDA regulations, policies, or this agreement, must be retained for three years following the close of the federal fiscal year to which they pertain.
- VIII. Civil Rights Compliance.** The Local Recipient Agency hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.); all provisions required by the implementing regulations of the U.S. Department of Agriculture; U.S. Department of Justice Enforcement Guidelines, 28 CFR Part 50.3 and 42; and USDA/FNS directives and guidelines, to the effect that, no person shall, on the grounds of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied benefits of, or otherwise be subject to discrimination under any program or activity for which the program applicant receives Federal financial assistance from FNS; and hereby gives assurance that it will immediately take measures necessary to effectuate this agreement.

Pennsylvania Department of Agriculture Bureau of Food Assistance

State Plan for FY 2022 Farm to Food Bank Projects

State Agency: Pennsylvania Department of Agriculture

State Agency Point of Contact (POC): Caryn Long Earl

POC Email: cearl@pa.gov

Provide a description of the anticipated uses of the Farm to Food Bank Project funds, including how the Project will (1) reduce food waste at the agricultural production, processing, or distribution level through the donation of food; (2) provide food to individuals in need; and (3) build relationships between agricultural producers, processors, and distributors and emergency feeding organizations through the donation of food. You must explain how the activity meets the statutory definition of project (i.e., involves the harvesting, processing, packaging, or transportation of unharvested, unprocessed, or unpackaged commodities donated by agricultural producers, processors, or distributors for use by EFOs).

The Pennsylvania Department of Agriculture (PDA) will use the Farm to Food Bank Project funds to supplement the Commonwealth's existing Pennsylvania Agricultural Surplus System (PASS). Created by the Pennsylvania General Assembly through the enactment of Act 113 of 2010, PASS provides an efficient mechanism for Pennsylvania's agricultural industry to donate safe, wholesome food products while being reimbursed for the costs involved in harvesting, processing, packaging, and transporting these foods. Without PASS, these food products would likely otherwise be left to rot in the field, be plowed under, be dumped, or be landfilled. In this way, Pennsylvania-grown products stay in the state to help meet people's basic food needs.

In June 2020, PDA awarded a contract to Feeding Pennsylvania to administer PASS on behalf of the Commonwealth. Feeding Pennsylvania subcontracts with 13 food banks and emergency food providers located throughout the state to procure foods from Pennsylvania agricultural producers, packers, and processors, using state funding provided for the PASS program. Working with more than 3,000 local charitable partners - including food pantries, soup kitchens, feeding programs, and shelters - these distributors allocate food to help feed low-income Pennsylvanians in need of food assistance in all 67 counties. Anyone eligible to receive food through food assistance programs operated by USDA and/or PDA is eligible to receive foods procured through the PASS program.

PASS was funded for the first time in the 2015/2016 state budget at \$1 million. Since that time, between funding provided in the annual budget and special funding provided to PASS through CARES Act funding allocated to Pennsylvania, through state FY 2020/2021, PASS has received \$17.5 million in funding. PASS was again funded at \$2.5 million in the 2021/2022 state budgets. It is this source of funding that PDA will use as the match towards the Farm to Food Bank program.

Since the program began in April 2016 through September 2021, more than 20.6 million pounds of food has been distributed through the program. 80 different Pennsylvania produced products have been sourced from 165 farmers, processors, and growers located across the commonwealth. These products include: apples, broccoli, butter, cabbage, cheese, chicken, corn, eggs, green beans, ground beef, lettuce, milk, peaches, potatoes, squash, tomatoes, yogurt, and zucchini.

List all EFOs that will partner with the State agency and describe the role of the EFO(s) in the project. You must list at least one EFO.

1. Central Pennsylvania Food Bank
2. Bucks County Opportunity Council
3. Chester County Food Bank
4. Community Food Warehouse of Mercer County
5. Greater Pittsburgh Community Food Bank
6. Greater Washington County Food Bank
7. H & J Weinberg NE PA Regional Food Bank
8. Helping Harvest Fresh Food Bank
9. Philabundance
10. Second Harvest Food Bank of Lehigh Valley and NE PA
11. Second Harvest Food Bank of NW PA
12. Share Food Program/Montco Hunger Solutions
13. Westmoreland County Food Bank

In June 2020, PDA awarded a contract to Feeding Pennsylvania to administer PASS on behalf of the Commonwealth. Feeding Pennsylvania subcontracts with the 13 food banks and emergency food providers listed above who are located throughout the state to procure foods from Pennsylvania agricultural producers, packers, and processors, using state funding provided for the PASS program. Working with more than 3,000 local charitable partners - including food pantries, soup kitchens, feeding programs, and shelters - these distributors allocate food to help feed low-income Pennsylvanians in need of food assistance in all 67 counties.

Each of these organizations receives a prorated share of the total funding, based on a formula that equally takes into account each county's share of people on unemployment, people who are eligible for SNAP, and people who are eligible for Medical Assistance. (In the case of a county

that is served by multiple organizations, those counties split the funding.) No more than 15% of each organization's share of the funding may be used for administrative purposes.

List any other State agency(ies) from other States that the State agency will partner with and describe the role of the other State agency(ies) in the project.

n/a

State the percentage of Farm to Food Bank Project funds that will be kept at the State level.

0% will be retained by the state. All funds received for the Farm to Food Bank Project will be equitably distributed by Feeding Pennsylvania to their 13 sub-contractors for use in procuring foods through the PASS program.

Describe how the match requirement will be met.
