INVASIVE PEST MANAGEMENT AND MITIGATION

PARENT CONTRACT NO.

4400018437
THIS CONTRACT, made at Harrisburg, Pennsylvania, in the county of Dauphin, Commonwealth of Pennsylvania, by and between the COMMONWEALTH OF PENNSYLVANIA, acting by and through the Department of General Services, with offices at Harrisburg, Pennsylvania, hereinafter called the Commonwealth and <COMPANY NAME>, hereinafter called the Contractor, acting through its proper officials;

WITNESSETH THAT:

WHEREAS, the Commonwealth has need for Consulting Services (the “Services”); and

WHEREAS, the Commonwealth issued an Invitation to Qualify (ITQ) for the Consulting Services ITQ through an Invitation for Bids (IFB) and the Contractor submitted a bid in response to the ITQ; and

WHEREAS, the Commonwealth has the authority to enter into this Contract for the Services on a multiple award basis according to Section 517 of the Commonwealth Procurement Code, 62 Pa.C.S. §517; and

WHEREAS, the Commonwealth has evaluated the Contractor’s Proposal and determined that the Contractor has met the qualification requirements of the ITQ.

NOW, THEREFORE, for and in consideration of the foregoing premises and mutual promises hereinafter set forth, the parties hereto agree, with the intention of being legally bound, as follows:

1. GENERAL
   a. Upon determination that the Contractor meets the ITQ requirements, the Commonwealth will issue a contract to the Contractor in accordance with Section 55 hereof.
   b. Upon receipt of a Purchase Order (PO) issued under this Contract, the Contractor agrees to furnish the requested services to the Commonwealth agency issuing the PO.

2. COST
   The total cost for Services provided for each PO under this Contract shall be the amount stated in each PO. The Issuing Agency will establish a payment schedule with the Contractor and the Contractor agrees that payment shall be made in accordance with such payment schedule. No separate reimbursement will be made for travel, lodging or subsistence. All costs for travel, lodging or subsistence must be included in the costs provided to the Issuing Agency and incorporated into the PO.

3. OVERVIEW
   The purpose of this multiple award Contract is to provide agencies of the Commonwealth with the Services that are within the scope of this Contract.

4. DEFINITIONS
   a. Contact Person. The individual designated by the Issuing Agency to administer and monitor POs issued by the Issuing Agency under this Contract. The Contact Person is authorized to issue POs and amendments to POs and to terminate POs.
b. **Contracting Officer.** The person authorized to administer this Contract for the Commonwealth and to make written determinations with respect to the Contract (as opposed to individual POs, which shall be administered and monitored by the Issuing Agency) is the DGS Chief Procurement Officer. The Contracting Officer is NOT authorized to sign this Contract or any amendment, but is authorized to terminate this Contract.

c. **Days.** Unless specifically indicated otherwise, days mean Commonwealth business days.

d. **Developed Materials or Developed Works.** Except for Contractor’s work papers and internal communications related to the Services of this Contract and that are not delivered to the Commonwealth, which shall remain the exclusive property of the Contractor, all documents, data, records, software, samples or any other literary works or other works of authorship produced by Contractor in carrying out the obligations and Services under this Contract, without limitation, and delivered by the Contractor as the work product for the Project (“Deliverables” or “Delivered Materials”). All Project Deliverables shall be explicitly identified in the Statement of Work (SOW) for each Purchase Order (PO).

e. **Documentation.** A term used to refer to all materials required to support and convey information about the services required by this Contract. It includes, but is not necessarily restricted to, written reports and analyses, diagrams, maps, logical and physical designs, system designs, computer programs, flow charts, disks, and/or other machine-readable storage media.

f. **Contract Effective Date.** The date that the Contract has been fully executed by the Contractor and by the Commonwealth and all approvals required by Commonwealth contracting procedures have been obtained.

g. **Issuing Agency.** The Commonwealth agency issuing the PO under the terms and conditions of this Contract.

h. **Proposal.** Contractor’s response to a Request for Quotations (RFQ) issued by the Issuing Agency.

i. **Services.** All Contractor activity necessary to satisfy the PO as defined by the Issuing Agency in the Statement of Work (SOW) incorporated into the PO.

5. **CONTRACT SCOPE**

   a. This Contract will include various Consulting service categories. All of the categories are described more fully via the ITQ web site at [www.itqrp.state.pa.us/ITQ/ITQ/Default.aspx](http://www.itqrp.state.pa.us/ITQ/ITQ/Default.aspx).

   b. The ITQ web site is the place that shows the specific service categories for which the Contractor has been found qualified.

   c. If the Contractor must perform work outside of the daily operational hours set forth by the Issuing Agency, it must make arrangements with the Issuing Agency to assure access to the facility and equipment has been arranged. The Contractor must take such access into consideration when it is putting together its Proposal. No additional payment will be made on the basis of lack of access unless the Issuing Agency fails to provide access as agreed to between the Issuing Agency and the Contractor.
d. Unless specifically provided for in the PO, the Contractor shall not offer for sale or provide Commonwealth agencies with any hardware or software (i.e., personal computers, file servers, laptops, personal computer packaged software, etc.). If the PO does not specifically include the provision of software, Contractors may recommend the use of hardware and software, without requiring agencies to purchase the recommended hardware and software. Software and hardware that is NOT on statewide contract will be acquired through separately procured purchase agreements, and the Contractor shall not be considered for award of such agreements.

e. Contractor shall comply with the IT standards and policies issued by the Governor’s Office of Administration, Office for Information Technology (OA/OIT) (located at: http://www.portal.state.pa.us/portal/server.pt?open=512&objID=416&PageID=210791&mode=2), including the accessibility standards set out in IT Bulletin ACC001, IT Accessibility Policy. The Contractor shall ensure that Services procured under this Contract comply with the applicable standards. In the event such standards change during Contractor’s performance of a PO, and the Issuing Agency requests that Contractor comply with the changed standard, then any incremental costs incurred by Contractor to comply with such changes shall be paid for pursuant to a change order to the PO.

6. ORDER OF PRECEDENCE

a. If any conflicts or discrepancies should arise in the terms and conditions of this Contract, or the interpretation thereof, the order of precedence shall be:

   i. This Contract;

   ii. The data resident on the ITQ web site at www.itqrp.state.pa.us/ITQ/ITQ/Default.aspx and incorporated herein by reference at the date of execution of the Contract or issuance of an RFQ off of this Contract, whichever is later, including but not limited to the promises and certifications the Contractor made in qualifying for the Contract;

b. If any conflicts or discrepancies should arise in the interpretation of a PO, the order of precedence shall be:

   i. The Consulting service category definitions, descriptions, qualification requirements, and contract terms and conditions set forth in the RFQ;

   ii. This Contract;

   iii. The PO and any attachment thereto, including: (1) the Contractor’s Proposal, as accepted by the Commonwealth; (2) the RFQ.

7. CONTRACT INTEGRATION

a. This Contract, including the Contract signature pages, together with the data resident on the ITQ web site at www.itqrp.state.pa.us/ITQ/ITQ/Default.aspx, as described in Section 6, constitutes the final, complete, and exclusive Contract between the parties containing all the terms and conditions agreed to by the parties. The Contract itself contemplates the issuance of RFQs and POs, and Technical and Cost proposal responses by the Contractor, the content of which will augment the Contract when issued and executed as anticipated under this Contract.
b. All representations, understandings, promises, and agreements pertaining to the subject matter of this Contract made prior to or at the time this Contract is executed are superseded by this Contract.

c. There are no conditions precedent to the performance of this Contract except as expressly set forth herein.

8. PURCHASE ORDERS (POs)

a. Prior to issuing a PO against this Contract, Issuing Agencies must follow the solicitation requirements and evaluation process established for this Contract and available at http://www.itqrp.state.pa.us/ITQ/ITQ/Default.aspx. DGS may modify these procedures by posting revised procedures at the website specified above and which will become effective for subsequent projects not already in the solicitation process.

b. All documents issued by the Issuing Agency and all responses submitted by the Contractors must be in electronic format and that format must be compatible with Microsoft™ Office. Documents may be read only, but may not be in .pdf format. The Issuing Agency may, at its option, also require that all documents be submitted in paper format.

c. Issuing agencies may issue POs against this Contract. A PO constitutes the Contractor’s authority to perform Services. Each PO will be deemed to incorporate the terms and conditions set forth in this Contract. In no event will the performance time period specified in a Purchase Order extend longer than ninety (90) days after the expiration date of the Contract term. The Contractor will be required to adhere to the requirements and/or specifications of the PO.

d. Purchase Orders under five thousand dollars ($5,000) in total amount may also be made in person or by telephone using a Commonwealth Procurement VISA Card. When an order is placed by telephone, the Commonwealth agency shall provide the agency name, employee name, credit card number, and expiration date of the card. The Contractor agrees to accept payment through the use of the Commonwealth Procurement VISA card.

9. PERIOD OF PERFORMANCE

The Contractor, for the life of this Contract, shall complete all services as specified under the terms of this Contract and any PO resulting from this Contract. In no event shall the Commonwealth be responsible or liable to pay for any services provided by the Contractor prior to the Effective Date, and the Contractor hereby waives any claim or cause of action for any such services.

10. TERM OF CONTRACT

The term of the Contract shall commence on the Effective Date and shall end when terminated by the Commonwealth pursuant to Paragraph 23 Termination.

11. OPTION TO EXTEND

Intentionally left blank.

12. SPECIAL REQUIREMENTS

Within the general scope of this ITQ, Issuing Agencies may modify the Consulting service category definitions, descriptions, qualification requirements, and contract terms and conditions for particular
POs, if set forth in the RFQ. Such modifications shall take precedence over differing provisions of the ITQ/Contract.

The Commonwealth reserves the right to purchase Services within the scope of this Contract through other procurement methods whenever the Commonwealth deems it to be in its best interest.

13. SUBCONTRACTS

The Contractor may subcontract any portion of the Services described in this Contract to third parties selected by Contractor and approved in writing by the Issuing Agency, whose approval shall not be unreasonably withheld. Notwithstanding the above, if Contractor has disclosed the identity of subcontractor(s) together with the scope of work to be subcontracted in its Proposal, the Issuing Agency’s issuance of a PO is deemed to be approval of all named subcontractors and a separate approval is not required. The existence of any subcontract shall not change the obligations of Contractor to the Issuing Agency under this Contract. Upon request of the Issuing Agency, the Contractor must provide the Issuing Agency with a copy of the subcontract agreement(s) between the Contractor and the subcontractor(s). Contractor will require all of its subcontractors to adhere to the terms and conditions of this Contract.

14. OTHER CONTRACTORS

The Commonwealth may undertake or award other contracts or PO’s for additional or related work, and the Contractor shall fully cooperate with other Contractors and Commonwealth employees, and coordinate its Services with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other Contractor or by Commonwealth employees. This Section shall be included in the Contracts of all Contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this Section as to all Contractors to prevent the imposition of unreasonable burdens on any Contractor.

15. PRIME CONTRACTOR RESPONSIBILITIES

The Contractor will be responsible for all services required under a PO issued under this Contract whether or not it provides them directly. The Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the PO.

16. INVOICES

a. Unless otherwise specified in a PO, subject to Issuing Agency review and acceptance, the Contractor shall invoice the Issuing Agency for Services performed only after acceptance of the Services in accordance with the PO. Invoices will be submitted as specified in the PO.

For services provided on a time-and-materials basis, the Contractor shall invoice the Commonwealth on a monthly basis as services are provided.

For services provided on a fixed-price basis, and subject to Commonwealth review and acceptance, the Contractor shall invoice the Commonwealth for services performed only
after acceptance of the services in accordance with Section 18 (INSPECTION AND ACCEPTANCE).

b. At a minimum, the following information shall be furnished on all invoices, as applicable:

(1) A unique invoice number;

(2) The Contract number;

(3) PO number;

(4) The Contractor’s SAP/SRM Vendor Number;

(5) The period covered;

(6) For expenditure of manpower resources, including that of subcontractors (solely related to Time and Materials invoices only; not required for Deliverables invoices):

   (i) Position;

   (ii) Rate per hour; and

   (iii) Hours and cost thereof, itemized by tasks.

(7) Tasks completed by the Contractor during the billing period and approved by the Issuing Agency to the date of the invoice, and percentage of the phase represented thereby;

(8) Amounts invoiced to date and approved to date;

(9) Location, including address to which payment is to be made; and

(10) Invoices received by the Contractor from any subcontractor.

c. The Issuing Agency shall use its best efforts to pay all properly prepared and submitted invoices within forty five (45) calendar days from the date of receipt of such invoice by the Issuing Agency. Interest on late payments may only be paid if the contractor qualifies for such payment pursuant to the provisions of 4 Pa. Code § 2.31, et seq.

d. The Commonwealth or Issuing Agency may deduct from amounts due under an invoice any amounts owed to the Commonwealth under Section 29, Offset Provision for Commonwealth Contracts and Section 52, Liquidated Damages.

e. Electronic Payments

(1) The Commonwealth will make contract payments through the Automated Clearing House (ACH). Within 10 days of award of the Contract or PO, the Contractor must submit or must have already submitted its ACH information within its user profile in the Commonwealth’s procurement system (SRM).

(2) The Contractor must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth of Pennsylvania’s ACH
remittance advice to enable the Contractor to properly apply the state agency’s payment to the invoice submitted.

(3) It is the responsibility of the Contractor to ensure that the ACH information contained in SRM is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

17. ASSIGNABILITY

a. Subject to the terms and conditions of this Section, the Contract is binding upon the parties and their respective successors and assigns.

b. The Contractor may not assign, in whole or in part, the Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Commonwealth, which consent may be withheld at the sole and absolute discretion of the Commonwealth.

c. Notwithstanding the foregoing, the Contractor may, without the consent of the Commonwealth, assign its rights to payment to be received under the Contract or a PO, provided that the Contractor provides written notice of such assignment to the Issuing Agency together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of the Contract.

d. For the purposes of the Contract, the term “assign” shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.

e. Any assignment consented to by the Commonwealth shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned. The assignment form is provided via the ITQ web site at http://www.itqrp.state.pa.us/ITQ/ITQ/Default.aspx.

f. A change of name by the Contractor, following which the Contractor’s federal identification number remains unchanged, is not considered to be an assignment. The Contractor shall give the Issuing Agency and the Contracting Officer written notice of any such change of name.

18. INSPECTION AND ACCEPTANCE

a. Acceptance of Developed Materials will occur in accordance with the Deliverable Approval Plan and/or criteria set forth in the SOW. For PO’s where the development of software, the configuration of software, or the modification of software is the deliverable, the Deliverable Approval Plan must include an Acceptance Test Plan. The Acceptance Test Plan will provide for a Final Acceptance Test, and may provide for Interim Milestone Acceptance Tests. Each Acceptance Test will be designed to demonstrate that the Developed Materials conform with the functional specifications for the Developed Materials, if any, and/or the requirements of the SOW. Contractor shall notify the Issuing Agency when the deliverable is completed and ready for acceptance testing. The Issuing Agency will not unreasonably delay commencement of acceptance testing.

(1) For Projects that require software integration a the end of the Project, as set out in the PO, the Commonwealth’s acceptance of a deliverable or milestone shall be final unless at the time of Final Acceptance, the Developed Materials do not meet the acceptance criteria set
(2) For Projects that do not require software integration at the end of the Project as set out in the PO, the Commonwealth’s acceptance of a deliverable or milestone shall be complete and final.

b. Contractor shall certify, in writing, to the Issuing Agency when a particular milestone, interim or final, is completed and ready for acceptance (hereinafter Acceptance). Unless otherwise set out in a SOW or PO, the Acceptance period shall be ten (10) days for interim milestones and thirty (30) days for final milestones. On or before the 10th day for interim milestones or 30th day for the final milestone, following receipt by the Issuing Agency of Contractor’s certification of completion of a particular milestone, the Issuing Agency shall, subject to Section 18(a) either: (1) provide the Contractor with its written acceptance of the Developed Materials in the completed milestone; or (2) identify to Contractor, in writing, the failure of the Developed Materials to comply with the specifications, listing all such errors and omissions with reasonable detail.

c. If the Issuing Agency fails to notify the Contractor in writing of any failures in the Developed Materials within the applicable Acceptance period, the Developed Materials shall be deemed accepted.

d. If the Developed Materials do not meet an accessibility standard as set out in Section 5(e), the Contractor must provide written justification for its failure to meet the standard. The justification must provide specific details as to why the standard has not been met. The Issuing Agency may either waive the requirement as not applicable to the Issuing Agency’s business requirements or require that the Contractor provide an acceptable alternative. Any waiver of the requirement must be in writing.

e. Upon Contractor’s receipt of the Issuing Agency’s written notice of rejection, which must identify the reasons for the failure of the Developed Materials in a completed milestone to comply with the specifications, the Contractor shall have fifteen (15) days, or such other time as the Issuing Agency and Contractor may agree is reasonable, within which to correct all such failures, and resubmit the corrected Developed Materials, certifying to the Issuing Agency, in writing, that the failures have been corrected, and that the Developed Materials have been brought in compliance with the specifications. Upon receipt of such corrected and resubmitted Developed Materials and certification, the Issuing Agency shall have thirty (30) days to test the corrected Developed Materials to confirm that they are in compliance with the specifications. If the corrected Developed Materials are in compliance with the specifications, then the Issuing Agency shall provide the Contractor with its acceptance of the Developed Materials in the completed milestone.

f. If, in the opinion of the Issuing Agency, the corrected Developed Materials still contain material failures, the Issuing Agency shall have the option either to:

(1) Repeat the procedure set forth above; or

(2) Proceed with its rights under Section 25 (DISPUTES).

19. NOTICE OF DELAYS

Whenever the Contractor encounters any difficulty which is delaying or threatens to delay the timely performance of this Contract or any PO issued under this Contract (including actual or potential labor disputes), the Contractor shall promptly give notice thereof in writing to the Contact Person stating
all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the Commonwealth or the Issuing Agency of any rights or remedies to which it is entitled by law or pursuant to provisions of this Contract. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay.

20. CONDUCT OF SERVICES

a. Following the acceptance of Contractor’s Proposal and the issuance of a PO, Contractor shall proceed diligently with all Services and shall perform such Services with qualified personnel, in accordance with the completion criteria set forth in the PO.

b. In determining whether or not the Contractor has performed with due diligence hereunder, it is agreed and understood that the Issuing Agency may measure the amount and quality of the Contractor’s effort against the representations made in any Contractor Proposal accepted by way of a PO resulting from this Contract. The Contractor’s Services hereunder shall be monitored by the Issuing Agency and designated representatives. If the Issuing Agency determines that the Contractor has not performed with due diligence, the Issuing Agency and the Contractor will attempt to reach agreement with respect to such matter. Failure of the Issuing Agency or the Contractor to arrive at such mutual determinations shall be a dispute concerning a question of fact within the meaning of Section 25 (DISPUTES) of this Contract.

21. CHANGES

a. At any time during the performance of a PO, the Issuing Agency or the Contractor may request a change to the PO, including the SOW, within the scope of the PO. Contractor will make reasonable efforts to investigate the impact of the change request on the price, timetable, specifications, and other terms and conditions of the PO. If the Issuing Agency is the requestor of the change, the Contractor will inform the Issuing Agency if there will be any charges for the Contractor’s services in investigating the change request prior to incurring such charges. If the Issuing Agency and the Contractor agree on the results of the investigation and any necessary amendments to the PO, the parties must complete and execute the Change Notice Form, which is attached hereto as Appendix B, to modify the PO and implement the change. The Issuing Agency and Contractor will only request changes to the PO by way of the Change Notice Form. If the parties cannot agree upon the results of the investigation or the necessary amendments to the PO, the change request will not be implemented and, if the Contractor initiated the change request it may elect to handle the matter in accordance with Section 25 (DISPUTES) of this Contract.

b. Changes outside the scope of a PO shall be accomplished through the Commonwealth’s normal procurement procedures, and may result in an amended PO or a new PO (if the additional services are awarded to the Contractor).

22. DEFAULT

a. The Commonwealth may, subject to the provisions of Section 53, Force Majeure, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in Section 23, Termination Provisions) the whole or any part of this Contract or any PO for any of the following reasons:

(1) Failure to begin Services within the time specified in the Contract or Purchase Order or as otherwise specified;
(2) Failure to perform the Services with sufficient labor, equipment, or material to cause the completion of the specified Services in material accordance with the Contract or Purchase Order terms;

(3) Unsatisfactory performance of the Services;

(4) Failure to deliver the awarded item(s) within the time specified in the Contract or PO or as otherwise specified;

(5) Failure to provide an item(s) which is in conformance with the specifications referenced in the Contract or PO;

(6) Failure or refusal to remove material, or remove, replace, or perform any Services rejected as defective or noncompliant;

(7) Discontinuance of Services without approval or as otherwise allowed pursuant to the Contract or PO;

(8) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so (unless the failure to resume is pursuant to the Contract or PO);

(9) Insolvency;

(10) Assignment made for the benefit of creditors;

(11) Failure or refusal within 10 days after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due subcontractors for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;

(12) Failure to protect, to repair, or to make good any damage or injury to property;

(13) Material breach of any provision of the Contract;

(14) Failure to comply with representations made in the Contractor's bid/Proposal; or

(15) Failure to comply with applicable industry standards, customs, and practice.

23. TERMINATION
a. For Convenience

(1) The Commonwealth may terminate this Contract and any or all POs issued under it without cause by giving Contractor thirty (30) days prior written notice (Notice of Termination) whenever the Commonwealth shall determine that such termination is in the best interest of the Commonwealth (Termination for Convenience). The Notice of Termination shall specify which, if any, POs will terminate with termination of the Contract. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance under this Contract is terminated either in whole or in part and the date on which such termination becomes effective. Any PO not so specified in the Notice of Termination shall continue in effect for the term stated in the PO.
Any Issuing Agency may terminate any PO issued by that agency, without cause, by giving Contractor Notice of Termination prior to the effective date of termination.

In the event of termination hereunder, Contractor shall receive payment for:

(i) All Services performed consistent with the terms of the PO prior to the effective date of termination;

(ii) All actual and reasonable costs incurred by Contractor in terminating the PO; and

In no event shall the Contractor be paid for any loss of anticipated profit (by the Contractor or any subcontractor), loss of use of money, or administrative or overhead costs.

Failure to agree on any termination costs shall be a dispute handled in accordance with Section 25 (DISPUTES) of this Contract.

(2) The Contractor shall cease Services as of the date set forth in the Notice of Termination, and shall be paid only for such Services as have already been satisfactorily rendered up to and including the termination date set forth in said notice, or as may be otherwise provided for in said Notice of Termination, and for such services performed during the thirty (30) day notice period, if such services are requested by the Issuing Agency under any POs being terminated, for the collection, assembling, and transmitting to the Commonwealth of at least all materials, manuals, magnetic media, studies, drawings, computations, maps, supplies, and survey notes including field books, which were obtained, prepared, or developed as part of the Services required under the terminating POs.

(3) The above shall not be deemed to limit the Commonwealth’s right to terminate this Contract for any reason as permitted by the other provisions of this Contract, or under applicable statutory law or regulations.

b. Non-Appropriation

Any payment obligation or portion thereof of the Commonwealth created by this Contract or any PO issued pursuant to this Contract is conditioned upon the availability and appropriation of funds. When funds (state or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the PO. The Contractor shall be reimbursed in the same manner as that described in this section related to Termination for Convenience to the extent that appropriated funds are available.

c. Default

The Commonwealth may, in addition to its other rights under this Contract, terminate this Contract or any PO in whole or in part by providing written notice of default to the Contractor if the Contractor materially fails to perform its obligations under a PO and does not cure such failure within the time specified in the PO or, if no time is specified in the PO, within thirty (30) days or, if a cure within such period is not practical, commence a good faith effort to cure such failure to perform within the specified period or such longer period as the Commonwealth may specify in the written notice specifying such failure, and diligently and continuously proceed to complete the cure. For POs, the Contact Person shall provide any notice of default or written cure notice for the Issuing Agency. The Issuing Agency is authorized to
terminate only a PO issued by the agency pursuant to this Contract. Termination of a PO for default shall not affect work on other POS under which the Contractor is not in default. The Contracting Officer shall provide any notice of default or written cure notice for Contract terminations.

(1) Subject to the Limitation of Liability in Section 31 of this Contract, in the event the Commonwealth terminates this Contract in whole or in part as provided in this Subsection (c), the Commonwealth may procure services similar to those so terminated, and the Contractor, in addition to liability for any liquidated damages, shall be liable to the Commonwealth for the difference between the Contract price for the terminated portion of the services and the actual and reasonable cost (but in no event greater than the fair market value) of producing substitute equivalent services for the terminated services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Section.

(2) Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control of the Contractor. Such causes may include, but are not limited to, acts of God or of the public enemy, fires, floods, epidemics, quarantine restrictions, strikes, work stoppages, freight embargoes, acts of terrorism, and unusually severe weather. The Contractor shall notify the Contracting Officer and the Issuing Agency promptly in writing of its inability to perform because of a cause beyond the control of the Contractor.

(3) Nothing in this Subsection (c) shall abridge the Commonwealth’s right to suspend, debar, or take other administrative action against the Contractor.

(4) If it is later determined that the Commonwealth erred in terminating the Contract for default, then, at the Commonwealth’s discretion, the Contract shall be deemed to have been terminated for convenience under Subsection (a).

d. If this Contract or a PO is terminated as provided by this Subsection (c), the Commonwealth may, in addition to any other rights provided in this Subsection, and subject to Section 37 (OWNERSHIP RIGHTS) of this Contract, require the Contractor to deliver to each Issuing Agency in the manner and to the extent directed by the Contact Person, such reports and other documentation as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract or PO as has been terminated. Payment for such reports and documentation will be made consistent with the Contract or PO.

e. The rights and remedies of the Commonwealth provided in this Section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

f. The Commonwealth’s failure to exercise any rights or remedies provided in this Section shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.

g. Following exhaustion of the Contractor’s administrative remedies as set forth in Section 25, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.
24. BACKGROUND CHECKS

The Contractor is to, at its expense, arrange for a background check for each of its employees, as well as for the employees of its subcontractors, who will have to access to Commonwealth facilities, either through on site or remote access. Background checks are to be conducted via the Request for Criminal Record Check form and procedure found at http://www.portal.state.pa.us/portal/server.pt?open=512&objID=4451&&PageID=458621&level=2&css=L2&mode=2. The background check is to be conducted prior to initial access by Contractor and annually thereafter.

Before the Commonwealth will permit Contractor access to Commonwealth facilities, the Contractor is to provide written confirmation to the office designated by the agency that the background check has been conducted. If, at any time, it is discovered that an employee of the Contractor or an employee of a subcontractor of the Contractor has a criminal record that includes a felony or misdemeanor involving terrorist threats, violence, use of a lethal weapon, or breach of trust/fiduciary responsibility; or which raises concerns about building, system, or personal security, or is otherwise job-related, the Contractor is not to assign that employee to any Commonwealth facilities, is to remove any access privileges already given to the employee, and is not to permit that employee remote access to Commonwealth facilities or systems, unless the agency consents, in writing, prior to the access being provided. The agency may withhold its consent at its sole discretion. Failure of the Contractor to comply with the terms of this paragraph may result in default of the Contractor under its contract with the Commonwealth.

The Commonwealth specifically reserves the right to conduct or require background checks over and above that described herein.

25. DISPUTES

a. Contract Disputes

(1) In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the Contracting Officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.

(2) The contracting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The Contracting Officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The Contracting Officer's determination shall be the final order of the Commonwealth.

(3) Within fifteen (15) days of the mailing date of the determination denying a claim, or within 135 days of filing a claim if no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with performance under the Contract in a manner consistent with the determination of the Contracting Officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract.
b. PO Disputes

(1) In the event of a controversy or claim arising from a PO, the Contractor must, within six months after the cause of action accrues, file a written claim with the Issuing Agency for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.

(2) The Issuing Agency shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the Issuing Agency and the Contractor. The Issuing Agency shall send his/her written determination to the Contractor. If the Issuing Agency fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The Issuing Agency's determination shall be the final order of the Issuing Agency.

(3) Within fifteen (15) days of the mailing date of the determination denying a claim or within 135 days of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract in a manner consistent with the determination of the Issuing Agency and the Issuing Agency shall compensate the Contractor pursuant to the terms of the PO.

c. The Issuing Agency will provide the Contracting Officer with a copy of all determinations made by the Issuing Agency. The Contractor will provide the Contracting Officer with a copy of any appeal of an Issuing Agency decision that is filed by the Contractor.

26. CONFIDENTIALITY

The Contractor agrees to protect the confidentiality of the Commonwealth’s confidential information. The Commonwealth agrees to protect the confidentiality of Contractor’s confidential information. In order for information to be deemed confidential, the party claiming confidentiality must designate the information as “confidential” in such a way as to give notice to the other party (notice may be communicated by describing the information, and the specifications around its use or disclosure, in the SOW). Neither party may assert that information owned by the other party is such party’s confidential information. The parties agree that such confidential information shall not be copied, in whole or in part, or used or disclosed except when essential for authorized activities under this Contract and, in the case of disclosure, where the recipient of the confidential information has agreed to be bound by confidentiality requirements no less restrictive than those set forth herein. Each copy of such confidential information shall be marked by the party making the copy with any notices appearing in the original. Upon termination or cancellation of this Contract or any license granted hereunder, the receiving party will return to the disclosing party all copies of the confidential information in the receiving party’s possession, other than one copy, which may be maintained for archival purposes only. Both parties agree that a material breach of these requirements may, after failure to cure within the time frame specified in this Contract, and at the discretion of the non-breaching party, result in termination for default pursuant to Section 23.c (DEFAULT), in addition to other remedies available to the non-breaching party.

As far as information is not otherwise protected by law or regulation, the obligations stated in this Section do not apply to information:
a. Already known to the recipient at the time of disclosure;

b. Independently generated by the recipient and not derived from the information supplied by the disclosing party;

c. Known or available to the public, except where such knowledge or availability is the result of unauthorized disclosure by the recipient of the proprietary information;

d. Disclosed to the recipient without a similar restriction by a third party who has the right to make such disclosure; or

e. Required to be disclosed by the recipient by law, regulation, court order, or other legal process.

There shall be no restriction with respect to the use or disclosure of any ideas, concepts, know-how, or data processing techniques developed alone or jointly with the Commonwealth in connection with services provided to the Commonwealth under this Contract.

27. INSURANCE

a. The Contractor shall procure and maintain at its expense and/or require its subcontractors to procure and maintain, as appropriate, the following types of insurance, issued by companies acceptable to the Commonwealth and authorized to conduct such business under the laws of the Commonwealth of Pennsylvania:

(1) Worker’s Compensation Insurance for all of the Contractor’s employees and those of any subcontractor engaged in performing Services in accordance with the *Worker’s Compensation Act of 1915* and any supplements or amendments thereof.

(2) Public liability and property damage insurance to protect the Commonwealth, the Contractor, and any and all subcontractors from claims for damages for personal injury (including bodily injury), sickness or disease, accidental death, and damage to property, including loss of use resulting from any property damage which may arise from its operations under this Contract, whether such operation be by the Contractor, by any subcontractor, or by anyone directly or indirectly employed by either. The limits of such insurance shall be in an amount not less than $500,000 each person and $2,000,000 each occurrence, personal injury and property damage combined. Such policies shall be occurrence based rather than claims-made policies and shall name the Commonwealth of Pennsylvania as an additional insured, as its interests may appear. The insurance shall not contain any endorsements or any other form designed to limit and restrict any action by the Commonwealth as an additional insured against the insurance coverages in regard to the Services performed for the Commonwealth.

b. Prior to commencing Services under any PO, the Contractor shall provide the Issuing Agency with a copy of each current certificate of insurance. These certificates shall contain a provision that coverages afforded under the policies will not be canceled or changed until at least thirty (30) days prior written notice has been given to the Commonwealth.

c. The Contractor agrees to maintain such insurance for the life of any PO under which it is working.
d. Contractor’s self-insurance of the types and amounts of insurance set for the above shall satisfy the requirements of this Section 27 (INSURANCE).

28. CONTRACTOR RESPONSIBILITY PROGRAM AND PROVISIONS

As indicated in Management Directive 215.9, Contractor Responsibility Program, the Commonwealth of Pennsylvania has established a system to monitor Contractor performance. If a Contractor has not performed as required by the Contract or PO, the Issuing Agency will notify the Contracting Officer. The information provided will be reviewed, and if deemed to be appropriate, will be entered in the central Contractor Responsibility File. This information will be used by the Commonwealth to assist in determining if a Contractor is responsible. If it is determined a Contractor is not responsible, it will be ineligible for contract awards.

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). The term contractor includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.

a. The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.

b. The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.

c. The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.

d. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.

e. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the
Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

f. The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by either searching the Internet at http://www.dgs.state.pa.us/ or contacting the:

   Department of General Services
   Office of Chief Counsel
   603 North Office Building
   Harrisburg, PA 17125
   Telephone No: (717) 783-6472
   FAX No: (717) 787-9138

29. OFFSET PROVISION FOR COMMONWEALTH CONTRACTS

The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.

30. TAXES-FEDERAL, STATE, AND LOCAL

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax-free purchases under registration No. 23740001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas-guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania sales tax, local sales tax, public transportation assistance taxes, and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this Section is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

31. LIMITATION OF LIABILITY

The Contractor’s liability to the Commonwealth under any PO issued under this Contract shall be limited to the greater of $250,000 or the value of the PO (including any amendments), unless a limitation between $250,000 and the value of the PO is otherwise specified in the PO. This limitation will apply, except as otherwise stated in this Section, regardless of the form of action, whether in contract or in tort, including negligence. This limitation does not, however, apply to damages for:

a. Bodily injury or death;

b. Damage to real property or tangible personal property for which the Contractor is legally liable; or
c. The Contractor’s indemnity of the Commonwealth for patent, copyright, trade secret or trademark protection.

In no event will the Contractor be liable for consequential and indirect damages unless otherwise stated and agreed to by the Commonwealth and the Contractor in the Statement of Work attached to the PO. Except as set out in Section 33 (VIRUS, MALICIOUS, MISCHIEVOUS OR DESTRUCTIVE PROGRAMMING) in no event will the Contractor be liable for damages due to lost records or data, unless otherwise specified in the PO. Notwithstanding the foregoing, the Contractor shall provide reasonable assistance to the Commonwealth in restoring such lost records or data to their most recent backup copy.

32. COMMONWEALTH HELD HARMLESS

The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract, provided the Commonwealth gives Contractor prompt notice of any such claim of which it learns. Pursuant to the Commonwealth Attorneys Act 71 P.S. § 732-101, et. seq., the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits.

Notwithstanding the above, the Contractor shall not enter into any settlement without the Commonwealth’s written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor to control the defense and any related settlement negotiations.

33. VIRUS, MALICIOUS, MISCHIEVOUS OR DESTRUCTIVE PROGRAMMING

a. Notwithstanding any other provision in this Contract to the contrary, if the Contractor or any of its employees, subcontractors or consultants introduces a virus or malicious, mischievous or destructive programming into the Commonwealth’s software or computer networks and has failed to comply with the Commonwealth software security standards, and provided further that the Commonwealth can demonstrate that the virus or malicious, mischievous or destructive programming was introduced by the Contractor or any of its employees, subcontractors or consultants, the Contractor shall be liable for any damage to any data and/or software owned or licensed by the Commonwealth. The Contractor shall be liable for any damages incurred by the Commonwealth including, but not limited to, the expenditure of Commonwealth funds to eliminate or remove a computer virus or malicious, mischievous or destructive programming that result from the Contractor’s failure to take proactive measures to keep virus or malicious, mischievous or destructive programming from originating from the Contractor, its servants, agents or employees through appropriate firewalls and maintenance of anti-virus software and software security updates (such as operating systems security patches, etc.). In the event of destruction or modification of software, the Contractor shall eliminate the virus, malicious, mischievous or destructive programming, restore the Commonwealth’s software, and be liable to the Commonwealth for any resulting damages. The Contractor shall be responsible for reviewing Commonwealth software security standards in effect at the commencement of a PO and complying with those standards. The
Contractor’s liability shall cease if the Commonwealth has not fully complied with its own software security standards.

b. The Commonwealth may, at any time, audit, by a means deemed appropriate by the Commonwealth, any computing devices being used by representatives of the Contractor to provide services to the Commonwealth that will be connected to a Commonwealth network for the sole purpose of determining whether those devices have anti-virus software with current virus signature files and the current minimum operating system patches or workarounds have been installed. Devices found to be out of compliance will immediately be disconnected and will not be permitted to connect or reconnect to the Commonwealth network until the proper installations have been made. The Commonwealth shall not install any software or monitoring tools on the Contractor’s equipment without the Contractor’s written consent to do so.

c. The Contractor may use the anti-virus software used by the Commonwealth to protect Contractor’s computing devices used in the course of providing services to the Commonwealth. It is understood that the Contractor may not install the software on any computing device not being used to provide services to the Commonwealth, and that all copies of the software will be removed from all devices upon termination of this Contractor or the PO under which services are being provided.

d. Neither the Commonwealth nor the Issuing Agency will be responsible for any damages to the Contractor’s computers, data, software, etc. caused as a result of the installation of the Commonwealth’s anti-virus software or monitoring software on the Contractor’s computers.

34. PATENT, COPYRIGHT, TRADEMARK, AND TRADE SECRET PROTECTION

a. The Contractor shall hold the Commonwealth harmless for any suit or proceeding which may be brought against the Commonwealth for the alleged infringement of any United States or foreign patents, copyrights, or trademarks, or for a misappropriation of trade secrets arising out of performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by the Contractor, and in any such suit or proceeding will satisfy any final award for such infringement, including costs. The Commonwealth agrees to give Contractor prompt notice of any such claim of which it learns. Pursuant to the Commonwealth Attorneys Act 71 P.S. § 732-101, et. seq., the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under the terms it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits. If OAG does not delegate its right of defense, OA will request that OAG seek to join the Contractor as a third party. If OAG does not agree to seek to join the Contractor as a third party, the Contractor shall seek to intervene in the matter. If the Contractor is not joined as a third party either through the OAG's joinder or through the Contractor's intervention, there will be no contractual obligation on the part of the Contractor to indemnify. No settlement which prevents the Commonwealth from continuing to use the Developed Materials as provided herein shall be made without the Commonwealth's prior written consent. In all events, the Commonwealth shall have the right to participate in the defense of any such suit or proceeding through counsel of its own choosing. It is expressly agreed by the Contractor that, in the event it requests that the Commonwealth provide support to the Contractor in defending any such claim, the Contractor shall reimburse the Commonwealth for all expenses (including attorneys’ fees, if such are made necessary by the Contractor’s request) incurred by the Commonwealth for
such support.

b. The Contractor shall pay all damages and costs awarded therein against the Commonwealth. If information and assistance are furnished by the Commonwealth at the Contractor’s written request, it shall be at the Contractor’s expense, but the responsibility for such expense shall be only that within the Contractor’s written authorization.

c. If, in the Contractor’s opinion, the products, materials, reports, studies, or computer programs furnished hereunder are likely to or do become subject to a claim of infringement of a United States or foreign patent, copyright, or trademark, or for a misappropriation of trade secret, then without diminishing the Contractor’s obligation to satisfy any final award, the Contractor may, at its option, substitute functional equivalents for the alleged infringing products, materials, reports, studies, or computer programs or, at the Contractor’s option and expense, obtain the rights for the Commonwealth to continue the use of such products, materials, reports, studies, or computer programs.

d. If any of the products, materials, reports, studies, or computer programs provided by the Contractor are in such suit or proceeding held to constitute infringement and the use or publication thereof is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to publish or continue use of such infringing products, materials, reports, studies, or computer programs, replace them with non-infringing items, or modify them so that they are no longer infringing.

e. If the Contractor is unable to do any of the preceding, the Contractor agrees to pay the Commonwealth:

   (1) Any amounts paid by the Commonwealth less a reasonable amount based on the acceptance and use of the deliverable;

   (2) Any license fee less an amount for the period of usage of any software; and

   (3) The prorated portion of any service fees representing the time remaining in any period of service for which payment was made.

f. The obligations of the Contractor under this Section continue without time limit and survive the termination of this contract.

g. Notwithstanding the above, the Contractor shall have no obligation for:

   (1) Modification of the product, service, or deliverable provided by the Commonwealth;

   (2) Any material provided by the Commonwealth to the Contractor and incorporated into, or used to prepare, a product, service, or deliverable;

   (3) Use of the product, service, or deliverable in other than its specified operating environment;

   (4) The combination, operation, or use of the product, service, or deliverable with other products, services, or deliverables not provided by the Contractor as a system or the combination, operation, or use of the product, service, or deliverable, with any products, data, or apparatus that the Contractor did not provide;

   (5) Infringement of a non-Contractor product alone;
(6) The Commonwealth’s distribution, marketing or use beyond the scope contemplated by the SOW or PO; or

(7) The Commonwealth’s failure to use corrections or enhancements made available to the Commonwealth by the Contractor at no charge.

h. The obligation to indemnify the Commonwealth, under the terms of this Section, shall be the Contractor’s sole and exclusive obligation for the infringement or misappropriation of intellectual property.

35. SENSITIVE INFORMATION

a. The Contractor shall not publish or otherwise disclose, except to the Commonwealth or the Contractor’s subcontractors, any information or data obtained hereunder from private individuals, organizations, or public agencies, in a way that allows the information or data furnished by or about any particular person or establishment to be identified.

b. The parties shall not use or disclose any information about a recipient receiving services from, or otherwise enrolled in, a Commonwealth program affected by or benefiting from services under this Contract for any purpose not connected with the parties’ Contract responsibilities, or as outlined in the Issuing Agency SOW.

c. Contractor, as directed, shall comply with all federal or state laws and regulations related to the use of information that constitutes protected health information (PHI) as defined by the regulations promulgated pursuant to the Health Insurance Portability and Accountability Act (HIPAA). By signing this Contract, the Contractor agrees to the terms of the Business Associates Agreement, which is incorporated into this Contract as Appendix A. If the Issuing Agency, or relevant portion thereof, is a Covered Entity as defined in HIPAA, and the Contractor is performing the work of a Business Associate (which determination will be made solely in the discretion of the Issuing Agency), the Issuing Agency it will fill in the blanks in the attached Appendix as part of the PO. It is understood that Appendix A is only applicable if the Issuing Agency so indicates, and, if not applicable to the entire Issuing Agency, is only applicable with respect to the internal entities indicated by the Issuing Agency expressly in the PO.

36. CONTRACT CONSTRUCTION

The provisions of this Contract shall be construed in accordance with the provisions of all applicable laws and regulations of the Commonwealth of Pennsylvania.

37. OWNERSHIP RIGHTS

a. Ownership of Properties

(1) All “Developed Works” shall be owned according to the provisions set forth in this Section 37.

(2) All software owned by the Commonwealth or its licensors (“Commonwealth Software”) as of the Effective Date, or by the effective date of a PO, whichever is later, shall be and shall remain the exclusive property of the Commonwealth or its licensors, and Contractor shall acquire no rights or interests in the Commonwealth Software or Tools or that of its licensors by virtue of this Contract or any PO or SOW except as described in this paragraph or elsewhere in this Contract or any PO or SOW. The Contractor shall not use any
Commonwealth Software, Commonwealth Tools or software or tools of its licensors for any purpose other than to complete work under a PO. In the use of Commonwealth Software, Commonwealth Tools or software or tools of its licensors, Contractor will be bound by the confidentiality provisions of this Contract.

b. Definitions

(1) Software: For purposes of this Contract, the term “software” means a collection of one or more programs, databases or microprograms fixed in any tangible medium of expression that comprises a sequence of instructions (source code) to carry out a process in, or convertible into, a form executable by an electronic computer (object code).

(2) Data: For purposes of this Contract, the term “data” means any recorded information, regardless of form, the media on which it may be recorded, or the method of recording.

(3) Technical Data: For purposes of this Contract, the term “technical data” means any specific information necessary for the development, production or use of the Commonwealth Software.

c. Commonwealth Property—Non-Exclusive, License Grant and Restrictions

During the term of this Contract, Commonwealth grants to Contractor for the limited purpose of providing the Services covered under this Contract, a limited, nonexclusive, nontransferable, royalty-free right (subject to the terms of any third party agreement to which the Commonwealth is a party) to do the following:

(1) Obtain access to and use of the Commonwealth Software in accordance with the terms of this Contract.

(2) Reproduce the Commonwealth Software for archival purposes or for other purposes expressly provided for under this Contract.

(3) Modify the Commonwealth Software consistent with the terms and conditions of this Contract provided that Contractor agrees to assign to the Commonwealth, its rights, if any, in any derivative works resulting from Contractor’s modification of the Commonwealth Software. Contractor agrees to execute any documents required to evidence this assignment and to waive any moral rights and rights of attribution provided for in Section 106A of Title 17 of the United States Code, the Copyright Act of 1976.

(4) Allow the Contractor’s subcontractors approved by the Commonwealth to obtain access to the Commonwealth Software for the purposes of complying with the terms and conditions of this Contract; provided, however, that neither Contractor nor any of its subcontractors may decompile or reverse engineer, or attempt to decompile or reverse engineer, any of the Commonwealth Software. Commonwealth hereby represents that it has the authority to provide the license grant and rights set forth in this Section.

(5) To the extent that Contractor uses Commonwealth Software, Commonwealth Tools or software or tools of its licensor, Contractor agrees to protect the confidentiality of these works and maintain these proprietary works with the strictest confidence.
d. Impact of Third Party Agreements

Subject to the terms of any third party agreement to which the Commonwealth is a party: (i) the Commonwealth shall, at no cost to Contractor, provide Contractor with access to the Commonwealth Software in the form in use by Commonwealth as of the Contract Effective Date or the effective date of a PO, whichever is later, and (ii) Contractor, as part of the Services to be rendered under this Contract, shall compile and, as changes are made, update a list of all of the Commonwealth Software then in use by Contractor or any of its subcontractors in connection with Contractor’s performance of the Services.

e. Reservation of Rights

All rights, not expressly granted here to Contractor on a nonexclusive basis, including the right to grant non-exclusive licenses and other rights are reserved by the Commonwealth.

f. Termination of Commonwealth License Grant

Upon the expiration or termination for any reason of Contractor’s obligation to provide the Services under this Contract or under a PO, all rights granted to Contractor in this Section 37 (OWNERHSIP RIGHTS) shall immediately cease. Contractor shall, at no cost to Commonwealth, deliver to Commonwealth all of the Commonwealth Software and Tools (including any related source code then in Contractor’s possession or under its control) in the form in use as of the Effective Date of such expiration or termination. Within fifteen (15) calendar days after termination, Contractor shall provide the Commonwealth with a current copy of the list of Commonwealth Software in use as of the date of such expiration or termination. Concurrently therewith, Contractor shall destroy or erase all other copies of any of the Commonwealth Software then in Contractor’s possession or under its control unless otherwise instructed by Commonwealth, in writing; provided, however, that Contractor may retain one archival copy of such Commonwealth Software and Tools, until final resolution of any actively asserted pending disputes between the Parties, such retention being for the sole purpose of resolving such disputes.

g. Effect of License Grant Termination

Consistent with the provisions of this Section, Contractor shall refrain from manufacturing, copying, marketing, distributing, or use of any Commonwealth Software or any other work which incorporates the Commonwealth Software. The obligations of this Section 37 (OWNERSHIP RIGHTS) shall survive any termination of this Contract.

h. Use of Contractor-Owned Software

All software owned by Contractor (Contractor Software) and tools owned by Contractor (Contractor Tools) prior to the Effective Date of this Contract or the effective date of a PO, whichever is later, shall be and shall remain the exclusive property of Contractor. The Commonwealth shall acquire no rights or interests in the Contractor Software or the Contractor Tools by virtue of this Contract or any PO or SOW except as set forth in this paragraph or in the PO or SOW.

i. Definition of Contractor Tools

Contractor Tools is defined as any tools, both in object code and source code form, which Contractor has previously developed, or which Contractor independently develops or licenses from a third party, excluding any tools that Contractor creates pursuant to this
Contract. Contractor Tools includes but is not limited to, methodologies, information, concepts, toolbars for maneuvering between pages, search engines, JAVA applets, and ActiveX controls.

j. Required Reports, Records and Inventory of Contractor Tools and Contractor Software

(1) Contractor must provide a list of all Contractor Tools and Contractor Software to be delivered in connection with the deliverables or Developed Materials prior to starting work on a PO. Contractor must also provide a list of all other Contractor Tools and Contractor Software intended to be used by Contractor to provide the services under the PO but will not become part of or necessary for the use of the Developed Materials. All Contractor Tools and Contractor Software necessary to use deliverables or Developed Materials shall be delivered to the Commonwealth along with the license set forth in Section 37k. Contractor may amend these lists from time to time while the PO is being carried out or upon its completion. In the event that the Contractor fails to list a Contractor Tool, but can demonstrate that such tool was independently developed by Contractor prior to the PO on which it was used, Contractor shall nevertheless retain complete ownership of such Contractor Tool that is necessary to use the deliverables or Developed Materials, provided that notice is given to the Issuing Agency prior to its use on the PO. Any Contractor Tools or Contractor Software not included on the lists will be deemed to have been created under this Contract.

(2) As part of its response to a SOW, the Contractor will provide a list of all software and tools that are commercially available and which are required to support the deliverables or Developed Materials.

(3) During the term of this Contract, Contractor shall maintain at its principal office books of account and records showing its actions under this Contract. Upon reasonable notice by Commonwealth, Contractor shall allow Commonwealth to inspect these records and accounts for purposes of verifying the accuracy of such accounts and records.

(4) In the event that Contractor fails to list a Contractor Tool or Contractor Software, but is able to demonstrate that such tool or software was independently developed by Contractor prior to the Effective Date of this Contract, Contractor shall retain complete ownership of such Contractor Tool or Contractor Software that is necessary to use the deliverables or Developed Works, provided that notice is given to the Commonwealth prior to use on the Contract.

k. Expiration or Termination NonExclusive License Grant—Non-Commercial Contractor Tools and Software

Upon the expiration or termination for any reason of Contractor’s obligation to provide the Services under this Contract, and at the request of Commonwealth, Contractor hereby (i) grants to Commonwealth a paid-up, nonexclusive, nontransferable license to use, modify, prepare derivative works and unless Commonwealth terminates this Contract without cause, grant to third parties engaged by Commonwealth the right to use, modify, and prepare derivative works based upon all or any portion of the non-commercially available Contractor Software and the non-commercially available Contractor Tools owned by Contractor and used by Contractor in connection with the Services, the foregoing rights being granted to the extent reasonably necessary to facilitate Commonwealth’s or such third party’s completion of and maintenance of the Services to be provided by Contractor under this Contract immediately prior to such expiration or termination and (ii) will deliver to Commonwealth the
object code version of such non-commercially available Contractor Software and such non-commercially available Contractor Tools in the form used by Contractor in connection with the Services immediately prior to such expiration or termination to allow the Commonwealth to complete and maintain such work. If Commonwealth enters into a contract that allows for the use of the Contractor Software or Contractor Tools for which a license is granted under this Section 37 (OWNERSHIP RIGHTS), the Commonwealth will include a provision in that contract that limits the use of the Contractor Software or Contractor Tools as delineated in this Section.

1. Rules of Usage for Developed Works

(1) If Developed Works modify, improve, or enhance application software programs or other materials generally licensed by the Contractor, then such Developed Works shall be the property of the Contractor, and Contractor hereby grants Commonwealth an irrevocable, nonexclusive, worldwide, fully paid-up license (to include source code and relevant documentation) in perpetuity to use, modify, execute, reproduce, display, perform, prepare derivative works from and distribute, within the Commonwealth, of such Developed Works. For purposes of distribution under the license grant created by this section, Commonwealth includes any government agency, department, instrumentality, division, unit or other office that is part of the Commonwealth of Pennsylvania, together with the State System of Higher Education (including any of its universities), any county, borough, commonwealth, city, municipality, town, township special purpose district, or other similar type of governmental instrumentality located within the geographical boundaries of the Commonwealth of Pennsylvania. If federal funds are used in creation of the Developed Works, the Commonwealth also includes any other state government as well as the federal government.

(2) If Developed Works modify, improve, or enhance application software or other materials not licensed to the Commonwealth by the Contractor, then such modifications, improvements and enhancements shall be the property of the Commonwealth or its licensor. To the extent Commonwealth owns the software or other materials, it hereby grants to Contractor an irrevocable, nonexclusive, worldwide, fully paid-up license to use, modify, execute, reproduce, display, perform, prepare derivative works from, and distribute copies of such Developed Works. To the extent Commonwealth has a license to the software or other materials, and to the extent that it, in its sole discretion determines it is able to do so the Commonwealth will grant to Contractor an irrevocable, nonexclusive, worldwide, fully paid-up license to use, modify, execute, reproduce, display, perform and distribute copies of such Developed Works.

(3) If Developed Works have been funded by Commonwealth, to any extent, with either Commonwealth or federal funds, and the Developed Works do not include pre-existing materials generally licensed by the Contractor, then the Commonwealth shall have all right, title, and interest (including ownership of copyright and trademark) to such Developed Works and the Commonwealth hereby grants to Contractor an irrevocable, nonexclusive, worldwide, fully paid-up license to use, modify, execute, reproduce, display, perform, prepare derivative works from, and distribute copies of such Developed Works. The Commonwealth shall exclusively own all software products first developed under the terms of this contract by the Contractor, its subcontractors or other third party vendors that are specifically developed for, engineered and integrated into the Developed Works.

(4) When the Developed Work is a report provided by a research company that was provided
under this contract or a PO, but which was not developed specifically for the Commonwealth or Issuing Agency under this contract or a PO, the ownership of the Developed Work will remain with the contractor, provided, however, that the Commonwealth or Issuing Agency has the right to copy and distribute the Developed Work within the Commonwealth.

m. Copyright Ownership. Works Developed as Part of the Scope of Work for the Project, including Developed Works developed by subcontractors, are the sole and exclusive property of the Commonwealth and shall be considered “works made for hire” under the United States Copyright Act of 1976, as amended, 17 United States Code. In the event that the Developed Works do not fall within the specifically enumerated works that constitute works made for hire under the United States copyright laws, Contractor agrees to assign and, upon their authorship or creation, expressly and automatically assigns all copyright interests, proprietary rights, trade secrets, and other right, title, and interest in and to such Developed Works to Commonwealth. Contractor further agrees that it will have its subcontractors assign, and upon their authorship or creation, expressly and automatically assign all copyright interest, proprietary rights, trade secrets, and other right, title, and interest in and to the Developed Works to the Commonwealth. Commonwealth shall have all rights accorded an owner of copyright under the United States copyright laws including, but not limited to, the exclusive right to reproduce the Developed Works in multiple copies, the right to distribute, copies by sales or other transfers, the right to register all copyrights in its own name as author in the United States and in foreign countries, the right to prepare derivative works based upon the Creative Works and the right to display the Developed Works. The Contractor further agrees that it will include this requirement in any subcontractor or other agreement with third parties who in any way participate in the creation or development of Developed Works. Upon completion or termination of this Contract, all working papers, files and other documentation shall immediately be delivered by Contractor to the Commonwealth. Contractor warrants that the Developed Works are original and do not infringe any copyright, patent, trademark, or other intellectual property right of any third party and are in conformance with the intellectual property laws of the United States.

n. Patent Ownership

(1) Contractor and its subcontractors shall retain ownership to patentable items, patents, processes, inventions or discoveries (collectively, the Patentable Items) made by the Contractor during the performance of this Contract. Notwithstanding the foregoing, the Commonwealth shall be granted a nonexclusive, nontransferable, royalty free license to use or practice the Patentable Items. Commonwealth may disclose to third parties any such Patentable Items made by Contractor or any of its subcontractors under the scope of work for the Project that have been previously publicly disclosed. Commonwealth understands and agrees that any third party disclosure will not confer any license to such Patentable Items.

(2) Contractor shall not use any computer program, code, or any works developed by or for Contractor independently of this Contract (“Pre-Existing Materials”) in the performance of the Services under this Contract, without the express written consent of the Commonwealth. Any Pre-Existing Materials used by Contractor for performance of Services under this Contract without Commonwealth consent shall be deemed to be Developed Works as that term is used in this Section. In the event that Commonwealth provides such consent, Contractor shall retain any and all rights in such Pre-Existing Materials.
o. Federal Government Interests

It is understood that certain funding under this Contract may be provided by the federal government. Accordingly, the rights to Developed Works or Patentable Items of Contractors or subcontractors hereunder will be further subject to government rights as set forth in 37 C.F.R. § 401, and other applicable statutes.

p. Usage Rights for Know-How and Technical Information

Either Party, in the ordinary course of conducting business, may use any ideas, concepts, know-how, methodologies, processes, components, technologies, algorithms, designs, modules or techniques not otherwise covered by this Section relating to the Services which Contractor or Commonwealth (alone or jointly with the Commonwealth) develops or learns in connection with Contractor’s provision of Services to Commonwealth under this Contract.

q. Commonwealth Intellectual Property Protection

Contractor acknowledges Commonwealth’s exclusive right, title and interest, including without limitation copyright and trademark rights, in and to Commonwealth Software, Commonwealth Tools and the Developed Works developed under the provisions of this Section, shall not in any way, at any time, directly or indirectly, do or cause to be done any act or thing contesting or in any way impairing or tending to impair any part of said right, title, and interest, and shall not use or disclose the Commonwealth Software, Commonwealth Tools, or the Developed Works without Commonwealth’s written consent, which consent may be withheld by the Commonwealth for any reason. Further, Contractor shall not in any manner represent that Contractor has any ownership interest in the Commonwealth Software, Commonwealth Tools, or the Developed Works. This provision is a material part of this Section.

r. Contractor Intellectual Property Protection

Commonwealth acknowledges that it has no ownership rights in the Contractor Software or Contractor Tools other than those set forth in this Contract, any PO or SOW, or as may be otherwise granted in writing.

s. Source Code and Escrow Items Obligations

Simultaneously with delivery of the Developed Works to Commonwealth, Contractor shall deliver a true, accurate and complete copy of all source codes relating to the Developed Works. To the extent that the Developed Works include application software or other materials generally licensed by the Contractor, then the source code shall be placed in escrow, subject to the terms and conditions of an Escrow Agreement to be executed by the Parties and an Escrow Agent that is acceptable to the Commonwealth.

t. Contractor’s Copyright Notice Obligations

Contractor will affix the following Copyright Notice to the Developed Works developed under this Section and all accompanying documentation: “Copyright © [year] by the Commonwealth of Pennsylvania. All Rights Reserved.” This notice shall appear on all tangible versions of the Developed Works delivered under this Contract and any associated documentation. It shall also be programmed into any all Developed Works delivered
hereunder so that it appears at the beginning of all visual displays of such Developed Works.

u. Commercial Software

If a deliverable under this Contract is commercially available software, the Contractor hereby agrees that, before it incorporates such software into a deliverable it will inform the licensor of the software, if the Contractor is not the licensor of the software, that it will be required to enter into a license with the Commonwealth which is acceptable to the Commonwealth. The license agreement in the form attached hereto as Appendix “C” is in a form that is acceptable to the Commonwealth. The Issuing Agency may negotiate the terms of the license agreement as appropriate to the Issuing Agency’s use of the software.

38. PUBLICATION RIGHTS AND/OR COPYRIGHTS

a. Except as otherwise provided in Section 37 (OWNERSHIP RIGHTS), the Contractor shall not publish any of the results of the work without the written permission of the Issuing Agency. The publication shall include the following statement: “The opinions, findings, and conclusions expressed in this publication are those of the author and not necessarily those of the Commonwealth of Pennsylvania.” The Contractor shall not include in the documentation any copyrighted matter, unless the Contractor provides the Commonwealth with written permission of the copyright owner.

b. Subject to Section 37 (OWNERSHIP RIGHTS) and the confidentiality provisions of Section 26 (CONFIDENTIALITY), the Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report or data designed or developed and delivered to the Commonwealth as part of the performance of a PO.

c. Rights and obligations of the parties under this Section 38 survive the termination of this Contract or any PO issued under it.

39. CHANGE OF OWNERSHIP

In the event that the Contractor should change ownership for any reason whatsoever, the Commonwealth shall have the exclusive option of continuing under the terms and conditions of this Contract with the Contractor or its successors or assigns for the full remaining term of this Contract, or continuing under the terms and conditions of this Contract with the Contractor or its successors or assigns for such period of time as is necessary to replace the products, materials, reports, studies, or computer programs, or immediately terminating this Contract.

40. OFFICIALS NOT TO BENEFIT

No official or employee of the Commonwealth and no member of its General Assembly who exercises any functions or responsibilities under this Contract shall participate in any decision relating to this Contract which affects their personal interest or the interest of any corporation, partnership, or association in which they are, directly or indirectly, interested; nor shall any such official or employee of the Commonwealth or member of its General Assembly have any interest, direct or indirect, in this Contract or the proceeds thereof.

41. INDEPENDENT CAPACITY OF CONTRACTOR

a. The parties to this Contract agree that the Services performed by the Contractor under the terms of this Contract are performed as an independent Contractor. The Services performed by the Contractor are performed neither as an employee of the Commonwealth of
Pennsylvania nor as a partnership or joint venture between the Commonwealth and the Contractor.

b. Except as otherwise provided by the terms of this Contract, the Commonwealth shall have no control over the manner in which the contractual Services are performed by the Contractor, or any subcontractor. Any job specifications or standards of work attached to or incorporated into this Contract or any subcontracting restrictions contained in this Contract shall not be construed as the Commonwealth’s direction or control over the manner of the performance of Services provided by the Contractor.

42. COMPLIANCE WITH LAWS

The Contractor shall comply with all federal, state, and local laws applicable to its Services, including, but not limited to, all statutes, regulations and rules that are in effect as of the date of the issuance of the PO and shall procure at its expense all licenses and all permits necessary for the fulfillment of its obligation.

43. THE AMERICANS WITH DISABILITIES ACT

During the term of this Contract, the Contractor agrees as follows:

a. Pursuant to federal regulations promulgated under the authority of The Americans With Disabilities Act, 28 C.F.R. § 35.101, et seq., the Contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this Contract or from activities provided for under this Contract. As a condition of accepting and executing this Contract, the Contractor agrees to comply with the General Prohibitions Against Discrimination, 28 C.F.R. § 35.130, and all other regulations promulgated under Title II of The Americans With Disabilities Act which are applicable to the benefits, services, programs, and activities provided by the Commonwealth of Pennsylvania through Contracts with outside Contractors.

b. The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth of Pennsylvania from losses, damages, expenses claims, demands, suits, and actions brought by any party against the Commonwealth of Pennsylvania as a result of the Contractor’s failure to comply with the provisions of Subsection a. above.

44. EXAMINATION OF RECORDS

a. Unless otherwise specified in a PO, the Contractor agrees to maintain, using its standard procedures, and in accordance with Generally Accepted Accounting Principles, books, records, documents, and other evidence pertaining to the charges under any PO to the extent and in such detail as will properly reflect all charges for which reimbursement is claimed under the provisions of this Contract.

b. The Contractor agrees to make available at the office of the Contractor at all reasonable times, and upon reasonable written notice, during the term of this Contract and the period set forth in Subsection c. below, any of the records for inspection, audit, or reproduction by any authorized Commonwealth representative. To the extent allowed by law, the Commonwealth agrees to maintain any documents so provided in accordance with the confidentiality provisions in Section 26 (CONFIDENTIALITY).

c. Except as otherwise provided below or specified in a PO, the Contractor shall preserve and make available its records for a period of three (3) years from the date of final payment
under this Contract:

(1) If this Contract is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of three (3) years from the date of any resulting final settlement.

(2) Non-privileged records which relate to litigation or the settlement of claims arising out of the performance of this Contract, or charges under this Contract as to which exception has been taken by the auditors, shall be retained by the Contractor until such litigation, claims, or exceptions have been finally resolved.

d. Except for documentary evidence retained pursuant to Subsection c.(2) above, the Contractor may in fulfillment of its obligation to retain its records as required by this Section substitute photographs, microphotographs, or other authentic reproductions of such records, after the expiration of two (2) years following the last day of the month of reimbursement to the Contractor of the invoice or voucher to which such records relate, unless a shorter period is authorized by the Commonwealth with the concurrence of its auditors.

e. The provisions of this Section shall be applicable to and included in each subcontract hereunder. The term “subcontract” as used in this contract only, excludes POs not exceeding $1,000 and subcontracts or POs for public utility services at rates established for uniform applicability to the general public.

45. SINGLE AUDIT ACT OF 1984

In compliance with the Single Audit Act of 1984, the Contractor agrees to the following:

a. This Contract is subject to audit by federal and state agencies or their authorized representative in accordance with the auditing standards promulgated by the Comptroller General of the United States and specified in Government Auditing Standards, 1994 Revisions (Yellow Book).

b. The audit requirement of this Contract will be satisfied if a single audit is performed under the provisions of the Single Audit Act of 1984, 31 U.S.C. § 7501, et seq., and all rules and regulations promulgated pursuant to the Act.

c. The Commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial/compliance, economy/efficiency, or program results nature, if deemed necessary.

d. The Contractor further agrees to comply with requirements that may be issued by the state agency upon receipt of additional guidance received from the federal government regarding the Single Audit Act of 1984.

46. ENVIRONMENTAL PROTECTION

In carrying out this Contract, the Contractor shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations, including the Clean Streams Law, Act of June 22, 1937, as amended; the Pennsylvania Solid Waste Management Act, Act of July 7, 1980 (P.L. 380, No. 97), as amended; and the Dam Safety and Encroachment Act, Act of November 26, 1978 (P.L. 1375, No. 325), as amended.
Each contract entered into by a governmental agency shall contain the following provisions by which the contractor agrees:

a. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not, by reason of gender, race, creed, or color, discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

b. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract on account of gender, race, creed, or color.

c. The Contractor and each subcontractor shall establish and maintain a written sexual harassment policy and shall inform their employees of the policy. The policy must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.

d. The Contractor and each subcontractor shall not discriminate by reason of gender, race, creed, or color against any subcontractor or supplier who is qualified to perform the work to which the contract relates.

e. The Contractor and each subcontractor shall, within the time periods requested by the Commonwealth, furnish all necessary employment documents and records and permit access to their books, records, and accounts by the contracting agency and the Bureau of Minority and Women Business Opportunities (BMWBO), for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause. Within fifteen (15) days after award of any contract, the Contractor shall be required to complete, sign and submit Form STD-21, the “Initial Contract Compliance Data” form. If the contract is a construction contract, then the Contractor shall be required to complete, sign and submit Form STD-28, the “Monthly Contract Compliance Report for Construction Contractors”, each month no later than the 15th of the month following the reporting period beginning with the initial job conference and continuing through the completion of the project. Those contractors who have fewer than five employees or whose employees are all from the same family or who have completed the Form STD-21 within the past 12 months may, within the 15 days, request an exemption from the Form STD-21 submission requirement from the contracting agency.

f. The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.

g. The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

48. CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania (“Commonwealth”) observe high standards of honesty and integrity. They must conduct
themselves in a manner that fosters public confidence in the integrity of the Commonwealth procurement process.

In furtherance of this policy, Contractor agrees to the following:

h. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material on this project, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor’s financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor’s submission of the contract signed by Contractor.

i. Contractor, its affiliates, agents and employees shall not disclose to others any information, documents, reports, data, or records provided to, or prepared by, Contractor under this contract without the prior written approval of the Commonwealth, except as required by the
Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, or other applicable law or as otherwise provided in this contract. Any information, documents, reports, data, or records secured by Contractor from the Commonwealth or a third party in connection with the performance of this contract shall be kept confidential unless disclosure of such information is:

1) Approved in writing by the Commonwealth prior to its disclosure; or

2) Directed by a court or other tribunal of competent jurisdiction unless the contract requires prior Commonwealth approval; or

3) Required for compliance with federal or state securities laws or the requirements of national securities exchanges; or

The report must include an itemized list of all political contributions known to Contractor by virtue of the knowledge possessed by every officer, director, associate, partner, limited partner, or individual owner that has been made by:

1) Any officer, director, associate, partner, limited partner, individual owner or members of the immediate family when the contributions exceed an aggregate of one thousand dollars ($1,000) by any individual during the preceding year; or

To obtain a copy of the reporting form, Contractor shall contact the Bureau of Commissions, Elections and Legislation, Division of Campaign Finance and Lobbying Disclosure, Room 210, North Office Building, Harrisburg, PA 17120.

l. Contractor shall comply with requirements of the Lobbying Disclosure Act, 65 Pa.C.S. § 13A01 et seq., and the regulations promulgated pursuant to that law. Contractor employee activities prior to or outside of formal Commonwealth procurement communication protocol are considered lobbying and subjects the Contractor employees to the registration and reporting requirements of the law. Actions by outside lobbyists on Contractor’s behalf, no matter the procurement stage, are not exempt and must be reported.

m. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor’s Code of Conduct, or in these provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or Commonwealth Inspector General in writing.

n. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these contractor integrity provisions in
connection with the submission of the bid or proposal, during any contract negotiations or
during the term of the contract.

o. Contractor shall cooperate with the Office of Inspector General in its investigation of any
alleged Commonwealth employee breach of ethical standards and any alleged Contractor non-
compliance with these provisions. Contractor agrees to make identified Contractor employees
available for interviews at reasonable times and places. Contractor, upon the inquiry or
request of the Office of Inspector General, shall provide, or if appropriate, make promptly
available for inspection or copying, any information of any type or form deemed relevant by
the Inspector General to Contractor's integrity and compliance with these provisions. Such
information may include, but shall not be limited to, Contractor's business or financial
records, documents or files of any type or form that refers to or concern this contract.

p. For violation of any of these Contractor Integrity Provisions, the Commonwealth may
terminate this and any other contract with Contractor, claim liquidated damages in an amount
equal to the value of anything received in breach of these provisions, claim damages for all
additional costs and expenses incurred in obtaining another contractor to complete
performance under this contract, and debar and suspend Contractor from doing business with
the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any
one shall not preclude the use of all or any other. These rights and remedies are in addition to
those the Commonwealth may have under law, statute, regulation, or otherwise.

q. For purposes of these Contractor Integrity Provisions, the following terms shall have the
meanings found in this Paragraph.

1) “Confidential information” means information that a) is not already in the public domain;

49. ASSIGNMENT OF RIGHTS UNDER THE ANTITRUST LAWS

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by Contractor’s suppliers resulting from violations of state and federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of this Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all rights, title, and interest in and to any claims Contractor now has or may hereafter acquire under state and federal antitrust laws relating to the goods and services which are subject to this Contract.

50. DB OR DBE COMPLIANCE

The Contractor must comply with the current Disadvantaged Business Program (DB) or Disadvantaged Business Enterprise (DBE) requirements as stated at http://www.itqrp.state.pa.us/ITQ/ITQ/Default.aspx or included in the SOW by the Issuing Agency. DGS may modify these procedures by posting revised procedures at the website specified above and which will become effective for subsequent projects not already in the solicitation process.

The Contractor must meet and maintain any DB or DBE commitment it makes in its Proposal throughout the term of the contract unless a change is approved by the Issuing Agency upon recommendation by BWMBO. If the Contract is assigned to another contractor, the new contractor must maintain the DB or DBE participation of the original contract.

51. WARRANTIES

If the PO or SOW does not set out warranty requirements, this Section governs any questions related to warranties. The Contractor warrants that the Services and Delivered Materials will conform in all material respects to the functional specifications for the Delivered Materials and/or the requirements of the PO or SOW. If the PO or SOW does not set forth a warranty period, the warranty period for the Services and Delivered Materials shall be ninety (90) days from final acceptance. The Contractor shall correct any non-conformity within the warranty period specified herein or in the PO or SOW. The agency may include additional warranty requirements in the SOW.

a. The Contractor hereby represents and warrants to the Commonwealth that it shall not cause, or take any action that may directly or indirectly cause a disruption of the Commonwealth’s operations.
b. In the event of any nonconformity with the foregoing warranties or any warranty set out in a PO or SOW, the Commonwealth or the Issuing Agency will provide written notification of such nonconformity to the Contractor and the Contractor, at no cost to the Commonwealth, shall within ten days notice of the nonconformity, commence work to remedy the nonconformity and shall work diligently, at no charge to the Commonwealth of the Issuing Agency, until such time as the deliverable conforms, in all material respects, to the functional specifications of the Developed materials set forth in the PO. The Contractor shall have no obligation with respect to nonconformities arising out of: (a) modifications to Developed Materials made by the Issuing Agency, (b) use of the Developed Materials not in accordance with the documentation or specifications applicable thereto, (c) failure by the Issuing Agency to implement any corrections or enhancements made available by the Contractor, (d) combination of the Developed Materials with any items not supplied or approved by the Contractor, or (e) the failure of any software licensed under a separate license agreement to conform to its specifications or documentation.

c. Contractor warrants that it has the necessary legal rights, including licenses to third party products, tools or materials, to perform the Services and deliver the Developed Materials under this Contract.

d. THE FOREGOING EXPRESS WARRANTIES ARE THE CONTRACTOR’S SOLE AND EXCLUSIVE WARRANTIES AND NO OTHER WARRANTIES, EXPRESS OR IMPLIED, SHALL APPLY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

e. All warranties shall survive final acceptance.

f. In the event of an action or complaint by Commonwealth against Contractor pertaining to these warranties, Contractor may raise any defenses that it may have.

52. LIQUIDATED DAMAGES

a. Each PO under this Contract has its own performance standards and requirements. By accepting the PO, the Contractor agrees to the performance standards and requirements of that particular project. If performance standards and requirements under an individual PO are not met, the failure will interfere with the Commonwealth’s program. In the event of any such failure, it would be impractical and extremely difficult to establish the actual damage for which the Contractor is the material cause. The Commonwealth and the Contractor therefore agree that, in the event of failures as outlined in the PO, the amount of damage shall be the amount set forth in this Section and agree that the Contractor shall pay such amount as liquidated damages, not as a penalty. Such liquidated damages are in lieu of all other damages arising from such delay.

b. Major Deliverables shall be identified by Contractor in its Proposal to the Commonwealth. The Commonwealth and Contractor shall agree on Major Deliverables for which liquidated damages shall be applicable in the event of delay and identify the Major Deliverables in the PO. If Major Deliverables are not identified in the PO, liquidated damages shall apply to the total cost of the PO.
c. The amount of liquidated damages shall be as set out in the PO. If no amount is set out in the PO, the amount of liquidated damages for work not completed by the deliverable schedule set out in the PO shall be three-tenths of a percent (3%) of the price of the specifically identified Major Deliverable for each calendar day following the scheduled completion date of such Major Deliverable. Liquidated damages shall be assessed each calendar day until the date on which the Contractor satisfactorily completes all required work for such Major Deliverable, up to a maximum of thirty (30) calendar days. Contractor shall recoup the amount of liquidated damages assessed against previous deliverables if the Contractor accelerates progress towards future deliverables and meets the final project completion date set out in the PO.

d. If, at the end of the thirty (30) day period specified in Subsection b. above, the Contractor has not met the schedule for completion of the PO, then the Commonwealth, at no additional expense and at its option, may either:

(1) Immediately terminate the PO and all software, documentation, reports, Developed Materials and any other materials provided for or created for the Commonwealth as a result of the PO shall be given to the Commonwealth, and the Commonwealth shall be entitled to its remedies under Section 23.c (TERMINATION) of this Contract; or

(2) Order the Contractor to continue with no decrease in effort until the work is completed in a manner acceptable to the Issuing Agency or until the Commonwealth terminates the PO. If the PO is continued, the liquidated damages will also continue until the work is completed.

e. At the conclusion of the project, liquidated damages shall be paid by the Contractor and collected by the Commonwealth by deducting them from the final invoices submitted under the PO, by collecting them through the performance security, if any, or by billing the Contractor as a separate item.

f. To the extent that the delay is caused by the Commonwealth, no liquidated damages will be applied.

g. If the delays are caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without their fault or negligence, the Contractor shall not be liable for liquidated damages for delays, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule.

53. FORCE MAJEURE

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party’s control may include, but aren’t limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state
whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect to cancel the Contract, cancel the PO, or to extend the time for performance as reasonably necessary to compensate for the Contractor’s delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract or PO.

54. NOTICE

Any written notice to any party under this Agreement shall be deemed sufficient if delivered personally, or by facsimile, telecopy, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.), with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, sent to the address set forth below or to such other address as such party may designate by notice given pursuant to this section:

55. ELECTRONIC SIGNATURES

The Commonwealth may issue this Contract and any subsequent change, and Commonwealth agencies may issue Purchase Orders against this Contract, electronically in accordance with the following terms:

a. The Contract may not include “ink” signatures by the Commonwealth. The electronically-printed name of the purchaser represents the signature of that individual who has the authority, on behalf of DGS to legally bind the Commonwealth to this Contract.

b. Purchase Orders against this contact may not include “ink” signatures by the Issuing Agency. The electronically printed name of the purchaser represents the signature of the individual who has the authority on behalf of the Issuing Agency to authorize the Contractor to perform the Services specified in the Purchase Order.

c. Purchase Orders may be issued electronically or through facsimile equipment. Receipt of the electronic or facsimile transmission of the Purchase Order shall constitute receipt of an order. The electronic transmission or facsimile of a Purchase Order shall require acknowledgement of receipt of the transmission by the Contractor.

d. The Commonwealth and the Contractor specifically agree as follow:

   (1) No handwritten signature shall be required in order for the Contract and Purchase Order to
be legally enforceable.

(2) Upon receipt of a Purchase Order, the Contractor shall promptly and properly acknowledge its receipt. Any order which is issued electronically or via facsimile shall not give rise to any obligation to deliver on the part of the Contractor, or any obligation to receive and pay for delivered products on the part of the Commonwealth, unless and until the Issuing Agency has properly received an acknowledgment.

(3) The parties agree that no writing shall be required in order to make the Contract or Purchase Order legally binding, notwithstanding contrary requirements in any law. The parties hereby agree not to contest the validity or enforceability of a Contract or Purchase Order or acknowledgment issued electronically under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements must be in writing and signed by the party bound thereby. The Contract and any Purchase Order or acknowledgment issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of the Contract or Purchase Orders or acknowledgements under either the business records exception to the hearsay rule or the best evidence rule on the basis that the Contract or Purchase Order or acknowledgment were not in writing or signed by the parties.

56. RIGHT-TO-KNOW LAW
a. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, applies to this Contract.

b. Unless the Contractor provides the Commonwealth, in writing, with the name and contact information of another person, the agency shall notify the Contractor using the Contractor information provided by the Contractor in SRM if the agency needs the Contractor’s assistance in any matter arising out of the Right to Know Law (“RTKL”). The Contractor shall notify the agency in writing of any change in the name or the contact information within a reasonable time prior to the change.

c. Upon notification from the Commonwealth that the Commonwealth requires the Contractor’s assistance in responding to a RTKL request for records in the Contractor’s possession, the Contractor shall provide the Commonwealth, within fourteen (14) calendar days after receipt of such notification, access to, and copies of, any document or information in the Contractor’s possession which arises out of the Contract that the Commonwealth requests (“Requested Information”) and provide such other assistance as the Commonwealth may request in order to comply with the RTKL. If the Contractor fails to provide the Requested Information within fourteen (14) calendar days after receipt of such request, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, detriment or harm that the Commonwealth may incur as a result of the Contractor’s failure, including any statutory damages assessed against the Commonwealth.

d. The Commonwealth’s determination as to whether the Requested Information is a public record is dispositive of the question as between the parties. Contractor agrees not to challenge the Commonwealth’s decision to deem the Requested Information a Public Record. If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, the Contractor will immediately notify the Commonwealth, and will provide a written statement signed by a representative of the Contractor explaining why the requested
material is exempt from public disclosure under the RTKL within seven (7) calendar days of receiving the request. If, upon review of the Contractor’s written statement, the Commonwealth still decides to provide the Requested Information, Contractor will not challenge or in any way hold the Commonwealth liable for such a decision.

e. The Commonwealth will reimburse the Contractor for any costs associated with complying with this provision only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

f. Contractor agrees to abide by any decision to release a record to the public made by the Office of Open Records, or by the Pennsylvania Courts. The Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth’s disclosure of Requested Information pursuant to the RTKL. Contractor’s duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

57. COSTARS PROGRAM CLAUSE

COSTARS Purchasers. Section 1902 of the Commonwealth Procurement Code, 62 Pa.C.S. § 1902 (“Section 1902”), authorizes local public procurement units and state-affiliated entities (together, “COSTARS Members”) to participate in Commonwealth procurement contracts that the Department of General Services (“DGS”) may choose to make available to COSTARS Members. DGS has identified this Contract as one which will be made available for COSTARS Members’ participation.

A. Only those entities registered with DGS are authorized to participate as COSTARS Members in this Contract. A COSTARS Member may be either a local public procurement unit or a state-affiliated entity.

1. A “local public procurement unit” is:
   - Any political subdivision (local government unit), such as a municipality, school district, or commission;
   - Any public authority (including authorities formed under the Municipality Authorities Act of 1955 or other authorizing legislation, such as the Public Transportation Law or the Aviation Code);
   - Any tax-exempt, nonprofit educational institution or organization;
   - Any tax-exempt, nonprofit public health institution or organization;
   - Any nonprofit fire, rescue, or ambulance company; and
   - Any other entity that spends public funds for the procurement of supplies, services, and construction (such as a council of governments, an area government, or an organization that receives public grant funds).

   The Department reserves the right to review and determine eligible applicants as local public procurement units on a case-by-case basis.

2. A state-affiliated entity is a Commonwealth authority or other Commonwealth entity that is not a Commonwealth agency. The term includes:
   - The Pennsylvania Turnpike Commission;
The Pennsylvania Housing Finance Agency;
The Pennsylvania Municipal Retirement System;
The Pennsylvania Infrastructure Investment Authority;
The State Public School Building Authority;
The Pennsylvania Higher Education Facilities Authority, and
The State System of Higher Education.

The COSTARS Program is not available for use by Executive Agencies and Independent Agencies as defined by the Commonwealth Procurement Code, or any agency or entity using funds appropriated to the Department of General Services through Capital Budget Project Itemization legislation for the procurement of furniture, fixtures, and equipment.

3. A complete list of local public procurement units and state-affiliated entities that have registered with DGS and that are authorized to procure items from the Contract can be found at http://www.costars.state.pa.us/SearchCOMember.aspx.

B. COSTARS Members have the option to purchase from this Contract, from any DGS contract established exclusively for COSTARS Members in accordance with the requirements of Section 1902, from any other cooperative procurement contracts, or from their own procurement contracts established in accordance with the applicable laws governing such procurements. The Contractor understands and acknowledges that there is no guarantee that a COSTARS Member will place an order under this Contract, and that the decision to procure from this Contract is within the sole discretion of each COSTARS Member.

C. DGS is acting as a facilitator for COSTARS Members who may wish to purchase under this Contract. COSTARS Members that participate in this Contract and issue purchase orders ("POs") to Contractors are third party beneficiaries who have the right to sue and be sued for breach of this Contract without joining the Commonwealth or DGS as a party. The Commonwealth will not intervene in any action between a Contractor and a COSTARS Member unless substantial interests of the Commonwealth are involved.

D. COSTARS Members electing to participate in this Contract will order items directly from the Contractor and be responsible for payment directly to the Contractor.

E. Those Contractors electing to permit COSTARS Members to procure from this Contract shall pay the Required Administrative Fee applicable to the Contractor’s classification:

2. At the beginning of each Contract year and upon any Contract renewal, the Contractor shall submit a check for the required amount, payable to “Commonwealth of PA”. The Contractor must pay the Administrative Fee at each contract renewal date to continue to sell the awarded items/services to COSTARS Members.

F. DGS has registered the COSTARS name and logo (together, the “COSTARS Brand”) as a trademark with the Pennsylvania Department of State. Therefore, the Contractor may use the COSTARS Brand only as permitted under this Subsection.

2. DGS grants the Contractor a nonexclusive license to use the COSTARS Brand, subject to the following conditions:
   a. The Contractor agrees not to transfer to any third party, including without limitation any of its subcontractors or suppliers, any privileges it may have to use the COSTARS Brand under this Contract.
   b. The Contractor agrees not to use the COSTARS Brand to represent or imply any Commonwealth endorsement or approval of its products or services.
   c. The Contractor is permitted to use the COSTARS Brand in broadcast, or Internet media solely in connection with this Contract and any other Contract with the Commonwealth under which it has agreed to make sales to COSTARS Purchasers. The Contractor may use the COSTARS Brand on business cards, brochures, and other print publications so long as the purpose is to identify the Contractor as a COSTARS vendor, and only so long as the required Contract fee is kept current.
   d. Should this Contract terminate for any reason, the Contractor agrees promptly to remove the COSTARS Brand from any and all print and electronic media and to refrain from using the COSTARS Brand for any purpose whatsoever from the date of Contract termination forward.
   e. The Contractor agrees to defend, indemnify, and hold harmless the Commonwealth of Pennsylvania and DGS from and against all claims, demands, liabilities, obligations, costs, and expenses of any nature whatsoever arising out of or based upon the Contractor’s use of the COSTARS Brand.
   f. The Contractor agrees it has no property rights in the use of the COSTARS Brand by virtue of this nonexclusive license. The Contractor expressly waives any claims, including without limitation due process claims that may otherwise be available under the law in the event of any dispute involving these terms of use.

G. The Contractor shall furnish to the DGS COSTARS Program Office a quarterly electronic Contract sales report detailing the previous quarter’s Contract purchasing activity, using the
form and in the format prescribed by DGS. The Contractor shall submit its completed quarterly report no later than the fifteenth calendar day of the succeeding Contract quarter.

1. The Contractor shall submit the reports through the web-based COSTARS Suppliers’ Gateway of the PA Supplier Portal at https://pasupplierportal.state.pa.us/irj/portal/anonymous, Enterprise Applications. 3. DGS may suspend the Contractor’s participation in the COSTARS Program for failure to provide the Quarterly Sales Report within the specified time.
