

## Restricted Use Pesticide Record

This form has fields to record all information required for restricted use pesticide sales. This specific form is not required, but pesticide dealers must record 1) the name and address of the customer and his/her applicator's certificate number or business or dealer's license number, 2) the brand name of the restricted use pesticide, 3) the EPA registration number of the restricted use pesticide, 4) the amount of restricted use pesticide, 5) the date of distribution, and (6) signature and identification information of the individual accepting the delivery.
