ACKNOWLEDGEMENTS			
I acknowledge that all physical addresses of the location(s) to be used to grow industrial hemp must be submitted with this application. This application constitutes written consent by the applicant to allow PDA personnel access to any growing locations as deemed necessary by PDA for evaluation and testing. Any changes to physical addresses used in the growing or processing of hemp shall be approved in writing by PDA prior to that location being legally permitted for use.			
I acknowledge that any finished products produced as part of this project which are to be marketed and sold will comply with all laws, regulations and requirements of any governmental agency or other regulating authority.			

I acknowledge that any plantings with THC levels over .30% will no longer be classified as Industrial Hemp. If THC levels are found to be greater than 0.30%, the material shall not move off site and products cannot enter the market. If THC is between 0.3% and 1.0%, confirmational testing or alternative destruction methods may be authorized, at PDA's discretion. For any planting with THC levels over 1.0%, PDA will issue an order for the registrant to immediately destroy the plants and law enforcement will be notified and has the authority to pursue prosecution under any applicable laws.

I hereby verify and affirm that all information contained in this application is true and accurate.
